Dear Shareholder

Termination of Mercer UK Credit Fund (the "Sub-Fund")

We are writing to notify you that the Directors, in consultation with the Manager and the Investment Manager and having regard to best interests of Shareholders, have decided to close the Sub-Fund no later than 19 April 2024 (the "**Termination Date**"). The termination will be conducted in accordance with and subject to the Company's Prospectus and Constitution, and the Sub-Fund supplement (the "**Supplement**").

The Directors' decision to terminate the Sub-Fund follows a review of the current circumstances of the Sub-Fund and its future viability. The decreasing level of assets in the Sub-Fund will ultimately result in it becoming sub-scale and in turn adversely impact the cost-effective implementation of the strategy. Having consulted with the Manager, the Investment Manager and the Distributor, in the Directors' view, prospects for attracting new inflows to grow the Sub-Fund sufficiently over the near term are limited. Accordingly, the Directors believe it is in the best interests of Shareholders to terminate the Sub-Fund.

In order to allow Shareholders the opportunity to redeem their Shares and to seek other investment opportunities, the Directors have planned for a Termination Date which is up to 8 weeks from the date of this Notice. However, as noted further below, circumstances such as material redemptions by Shareholders in the interim may necessitate bringing forward this Termination Date.

No further subscriptions will be accepted into the Sub-Fund from the date of this Notice.

Shareholders can continue to redeem their Shares prior to the Termination Date, and redemption instructions will be processed subject to and in accordance with the Prospectus and Supplement.

If a Shareholder has not redeemed their Shares prior to the Termination Date, those Shares will be compulsorily redeemed on the Termination Date. Shareholdings will be redeemed at the prevailing Net Asset Value per Share and net cash proceeds will be remitted to the account details held by the Administrator for each Shareholder.

Potential for an earlier Termination Date

The Directors are keeping the planned Termination Date of 19 April 2024 under review having regard to the level of redemptions in the interim and the level of Sub-Fund's assets. If and to the extent that the cost effective implementation of the strategy becomes difficult to achieve as a result of a large flow of redemptions (in advance of the Termination Date), it may become necessary to bring forward the Termination Date to an earlier date to safeguard the interests of Shareholders. You will be notified of any change to an earlier Termination Date.

In this regard, and without limitation, if, prior to the planned Termination Date of 19 April 2024, the Net Asset Value of the Sub-Fund falls below EUR15,000,000, the Directors anticipate bringing forward the Termination Date to an earlier date. In addition, please note should this occur, the Sub-Fund's portfolio may be progressively transitioned to cash and near cash instruments in anticipation of the Sub-Fund's closure.

Should you have any queries in relation to this matter, please do not hesitate to contact your usual Mercer client contact.

Yours faithfully
