the Company may allot and issue such Shares on the relevant Dealing Day at a price per Share equal to the Subscription Price for each such Fund and Share on terms that if the Company

receives payment for the Shares in a currency other than the currency designated for the Shares the Company shall convert or arrange for the conversion of monies received into the currency designated for the Shares and shall be entitled to deduct therefrom all expenses incurred in the conversion and on terms that the allotment and/or issue of Shares may take place provisionally if cleared funds have not been received by the Company or its authorised agent, provided that the application referred to in sub-paragraph (i) of this Article 6.3 has been received by the Company or its authorised agent and provided further that if the information and declarations required pursuant to sub-paragraph (ii) of this Article 6.3 and cleared funds representing the subscription monies and the original application form are not received by the Company within such reasonable period and at such time and place as the Directors may determine the Directors shall cancel any provisional allotment of Shares in respect thereof and may refuse an subsequent redemption thereof and if so cancelled the relevant application monies shall be returnable to the applicant at his risk (after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until return it may be made use of by the Company for its own benefit. Applications received by or on behalf of the Company up to such time on a Business Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Business Day. Such applications as are received by or on behalf of the Company after such time on a Business Day as the Directors may determine shall be deemed to have been received by or on behalf of the Company on the following Business Day.

- 6.4 If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder because the NAV in effect on the Dealing Day was materially incorrect, the Directors may adjust such Shareholder's Shares by increasing or decreasing them, as appropriate, to such number of Shares as would have been issued at the correct NAV.
- 6.5 Each applicant for Shares will be required to make such representations as may be required by the Directors in connection with anti-money laundering programmes, including, without limitation, representations that such applicant is not a prohibited individual or entity or resident in a prohibited country or territory listed on the U.S. Department of Treasury's Office of Foreign Assets Control ("OFAC") website and that it is not directly or indirectly affiliated with any country, territory, individual or entity named on an OFAC list or prohibited by any OFAC sanctions programmes. Each applicant will also be required to represent that subscription monies are not directly or indirectly derived from activities that may contravene applicable laws and regulations, including anti-money laundering laws and regulations.
- 6.6 Payment for Shares shall be made at such time and place and to such person on behalf of the Company as the Directors may from time to time determine and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions.
- 6.7 The Directors shall be entitled to issue Fractional Shares up to such number of decimal places as the Directors may determine and disclose in the Prospectus where the net subscription monies received by the Company are insufficient to purchase an integral number of Shares, provided however that Fractional Shares shall not carry any voting rights and provided further that the Net Asset Value per Share of a Fractional Share of any Share shall be adjusted by the amount which such Fractional Share bears to an integral Share at the time of issue of such Fractional Share and any dividend payable on such Fractional Shares shall be adjusted in like manner.
- 6.8 To be entered on the Register, Shareholders must apply for or acquire Shares to the value of not less than the minimum subscription amount as set out in the AIF Rulebook and certify that they are aware of the risk involved in the proposed investment and the fact that inherent in such investment is the potential to lose all of the sum involved. Subject to the conditions and requirements of the Central Bank, the minimum subscription amount may be waived or varied at the discretion of the Directors in respect of certain types of investors, and with the consent of such investors, as may be set out in the Prospectus.
- 6.9 No allotment or issue of Shares shall be made in respect of an application which would result in the applicant holding less than the Minimum Holding. No allotment or issue of Shares shall be made to any person who has not subscribed for the minimum subscription amount as set out in the AIF Rulebook and who has not certified that he is a Qualifying Investor or a Knowledgeable

Investor and that he is aware of the risk involved in investment in the Company and of the fact that inherent in the investment is the potential to lose all of the sum invested.

- 6.10 The Company may (at the option of the Directors) satisfy any application for the allotment or issue of Shares by procuring the transfer to the applicant of fully paid Shares. In any such case, references in these Articles to allotting and issuing Shares shall, where appropriate, be taken as references to procuring the transfer of Shares.
- 6.11 The Company shall be entitled to receive any Investments from an applicant for Shares and to hold such Investments or to sell, dispose of or otherwise convert such Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purpose of allotting and issuing Shares in the Company in accordance with the provisions of these Articles.
- 6.12 Subject to the provisions of the Act and the AIF Rulebook, the Directors may in their absolute discretion allot and issue Shares in consideration for, or on terms providing for settlement to be made by, the vesting in the Depositary of any Investments provided that the Directors are satisfied that:
- (i) the nature of the Investments is such that the Investments would qualify as Investments for the relevant Fund in accordance with the investment objective, policies and restrictions of the relevant Fund;
 - (ii) the number of Shares to be issued will not be more than the number which would have been issued for settlement in cash having valued the assets to be exchanged in accordance with Article 12;
 - (iii) all fiscal duties and charges arising in connection with the vesting of such Investments in the Depositary are paid by the person to whom the Shares are to be issued or, at the discretion of the Directors, partly by such person and partly or wholly out of the assets of the relevant Fund;
 - (iv) the assets have been vested in, and or arrangements have been made to vest the assets in, the Depositary or its sub-custodian, nominee or agent and the Depositary is satisfied that there is unlikely to be any material prejudice to the Shareholders of the relevant Fund;

and provided further that the Depositary is satisfied that the terms of any exchange will not materially prejudice the existing Shareholders of the relevant Fund.

- 6.13 No Shares shall be allotted or issued on any Dealing Day on which the determination of Net Asset Value is suspended pursuant to Article 11 except those for which applications have previously been received and accepted by the Company or its authorised agent. The Directors will notify investors applying for shares of such suspension at the time of application. Any application for shares which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after the suspension is lifted.
- 6.14 The Directors may require any person to whom Shares are to be allotted to pay a Distributor or to the Company an initial charge or transaction fee in respect of each Share to be allotted of such amount as may be determined by the Directors but not exceeding in respect of each Share to be allotted such amount as the Directors may determine and disclose in the Prospectus.
- 6.15 The Directors may, in their absolute discretion, decline to accept any subscription order for Shares.
- 6.16 If at any time the Directors determine, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder because the Net Asset Value in effect on the Dealing Day was incorrect, the Company may, if too few Shares were issued, issue such number of Shares to such Shareholder as is necessary to increase the number of Shares held by such Shareholder to the number of Shares which would have been held had the Shares been issued at the correct Net Asset Value on the relevant Dealing Day, and, if too many Shares were issued, may redeem such number of that Shareholder's Shares as is necessary to reduce the number of Shares held by that

Shareholder to the number of Shares which would have been held had the Shares been issued at the correct Net Asset Value on the relevant Dealing Day.

- 6.17 Any outstanding series of Shares may, in the discretion of the Directors, be redesignated and converted (after the payment or accrual of all applicable fees and expenses) into Shares of another series of the same Tranche at the prevailing Net Asset Value per Share of such other series.
- 6.18 All information required under the AIFMD Regulations as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.

7. FUNDS

7.1 All consideration other than the initial charge (if any) payable pursuant to the provisions of Article 6.12 received by the Company for the allotment or issue of Shares of each Tranche together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate from all other moneys of the Company and such assets and moneys shall be referred to as a "Fund", there being one such Fund in respect of each Tranche of Shares to which the following provisions shall apply:

- (a) the Company will keep separate books and records of account for each Fund. The proceeds from the issue of each Series of Shares will be applied to the Fund established for that Series of Shares, and the assets and liabilities and income and expenditure attributable thereto will be applied to such Fund;
- (b) any asset derived from another asset comprised in a Fund, will be applied to the same Fund as the asset from which it was derived and any increase or diminution in value of such an asset will be applied to the relevant Fund;
- (c) in the case of any asset which the Directors do not consider as readily attributable to a particular Fund or Funds, the asset will be allocated to all Funds pro rata to the value of the Net Asset Value of the relevant Fund;
- (d) any liability will be allocated to the Fund or Funds to which in the opinion of the Directors it relates or if such liability is not readily attributable to any particular Fund, the liability will be allocated to all Fund pro rata to the value of the Net Asset Value of the relevant Fund;
- (e) where the assets of the Company (if any) attributable to the Subscriber Shares give rise to any net profit, the Directors may allocate assets representing such net profits to such Fund or Funds as they may deem appropriate;
- (f) subject as otherwise provided in these Articles, the assets held for the account of each Fund shall be applied solely in respect of the Shares of the Series to which such Fund appertains and shall belong exclusively to the relevant Fund and shall not be used to discharge directly or indirectly the liabilities of or claims against any other Fund and shall not be available for any such purpose.

8. SUBSCRIPTION PRICE

8.1 The Initial Offer Price per Share at which the initial allotment of Shares shall be made shall be determined by the Directors and adding thereto such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

- 8.2 The Subscription Price per Share at which the allotment of Shares shall be made on the first day following the first Dealing Day in respect of those Shares shall be ascertained by determining the Net Asset Value per Share of the applicable series (or if Shares of a new series are being issued, at such offer price as may be determined by the Directors, or their delegates) in accordance with Articles 12 and 13 on the relevant Dealing Day and adding thereto such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Directors may from time to time determine subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A “unit” for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). The Directors may, on any Dealing Day on which there are net subscriptions, adjust the Subscription Price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the Company.
- 8.3 Shares may be subject to an upfront sales charge in an amount to be determined by the Directors but not to exceed such amount as the Directors may determine and disclose in the Prospectus.

9. **QUALIFIED HOLDERS**

- 9.1 No Shares shall be issued to or transferred to or be beneficially owned by, except with the consent of the Directors, any U.S. Person other than a Permitted U.S. Person. Each subscriber for Shares of the Company shall be required to certify that he is not, nor is he acquiring such Shares, except with the consent of the Directors, on behalf or for the benefit of, a U.S. Person, other than a Permitted U.S. Person and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the United States to, or for the benefit of, a U.S. Person other than a Permitted U.S. Person. The Directors may decline to register a transfer of Shares:
- (a) unless the transferor shall certify to the Company that such sale is not being made directly or indirectly in the United States;
 - (b) unless the transferee shall certify to the Company that it is not, nor is it acquiring such Shares except with the consent of the Directors, for or on behalf of a U.S. Person other than a Permitted U.S. Person;
 - (c) if in the opinion of the Directors the transfer would be unlawful or result, or be likely to result, in any adverse regulatory, tax or fiscal consequence or material administrative disadvantage to the relevant Fund or its Shareholders as a whole including, without limitation, if it would cause the Company to be required to register pursuant to the 1934 Act, or the rules promulgated thereunder, to register as an investment company under the 1940 Act or to register any shares under the 1933 Act;
 - (d) in the absence of satisfactory evidence of the transferee’s identity;
 - (e) if the transfer is a “chargeable event” giving rise to an obligation on the Company to deduct appropriate tax unless the Company is satisfied that it can levy the aggregate tax on this proposed transferor by way of forfeiture of such number of Shares of the proposed transferor as are necessary to discharge such liability and unless the Company receives a valid Declaration from the proposed transferee; or
 - (f) if, as a result of the transfer, the aggregate Net Asset Value of the Shares held by any transferee would be less than the minimum holding amount for the relevant class of Shares as set forth in the Prospectus.

The Directors shall have power (but shall not be under any duty) to impose such restrictions (other than a restriction on transfer which is not expressly referred to in these Articles) as they may think necessary for the purposes of ensuring that no Shares in the Company are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a U.S.

Person other than a Permitted U.S. Person or by any person in the circumstances described in Article 8.5.

- 9.2 Shareholders, unless otherwise determined by the Directors, are required to notify the Company immediately in the event that:
- (a) they become U.S. Persons other than a Permitted U.S. Person;
 - (b) they become Irish Residents;
 - (c) they cease to be Exempt Investors;
 - (d) the Declaration made by or on their behalf is no longer valid;
 - (e) they hold Shares for the account or benefit of (i) U.S. Persons other than a Permitted U.S. Person; (ii) Irish Residents; or (iii) Irish Residents who cease to be Exempt Investors and in respect of which the Declaration made on their behalf is no longer valid;
 - (f) (where the Shareholder is a Canadian Plan) the investment by such Canadian Plan Shareholder in the Company ceases to be in accordance with, or becomes prohibited by, the statement of investment policies and procedures or goals in respect of such Canadian Plan, or the investment by such Canadian Plan Shareholder in the Company ceases to be permitted under the Income Tax Act (Canada), Canadian federal and/or provincial pension benefits standards legislation (as applicable), any other applicable law, or the governing Canadian Plan documents; or
 - (g) they otherwise hold Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, tax or fiscal consequences for or be a material administrative disadvantage to the Company or the Shareholders as a whole.
- 9.3 The Directors may upon an application for Shares or at any other time and from time to time require such evidence to be furnished to them in connection with the matters stated in Articles 8.1 or 8.2 as they shall in their discretion deem sufficient and if such evidence is not forthcoming may refuse to accept such application or, if Shares have already been issued to any person of whom such a request is made, such person shall be deemed upon the expiration of thirty days from the making of such request, to have requested the redemption of all of his Shares whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the Company forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such redemption the provisions of Article 10 shall apply subject to Article 9.7 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Article 12.
- 9.4 If a person becomes aware that he is holding or owning Shares in contravention of Article 9 he shall forthwith in writing request the Company to redeem such Shares in accordance with Article 10 or shall transfer such Shares to a person duly qualified to hold the same unless he has already received a notice under Article 9.5.
- 9.5 Where the Directors become aware that a Shareholder (i) is a U.S. Person or is holding Shares for the account of a U.S. Person other than a Permitted U.S. Person; (ii) is a Canadian Plan and is holding such Shares in breach of the statement of investment policies and procedures or goals in respect of such Canadian Plan, the Income Tax Act (Canada), Canadian federal and/or provincial pension benefits standards legislation (as applicable), any other applicable law, or the governing Canadian Plan documents; or (iii) is holding Shares in breach of any laws or requirements of any country or government authority or otherwise in circumstances (whether directly or indirectly) affecting such person or persons, and whether taken alone or in conjunction with any other person connected or not, or any other circumstances appearing to the Directors to be relevant which, in the opinion of the Directors, might result in the Company or any Shareholder incurring liability to taxation or suffering any other pecuniary or regulatory disadvantage which the Company or Shareholder might not otherwise have incurred or suffered; the Directors may (a) direct the Shareholder to dispose of those Shares to a person who is qualified or entitled to own or hold the

Shares within such time period as the Directors stipulate; or (b) redeem the Shares at their Net Asset Value per Share as at the Valuation Day immediately prior to the Redemption Day immediately following the date of notification to the Shareholder or following the end of the period specified for disposal pursuant to (a) above or at such other Redemption Day as the Directors may determine.

- 9.6 If any such person upon whom such a notice is served as aforesaid does not within thirty days after such notice has been served transfer such Shares or request in writing the Company to redeem the Shares he shall be deemed forthwith upon the expiration of the said thirty days to have so requested the redemption of all his Shares the subject of such notice whereupon if he shall have been issued with a certificate for his Shares he shall be bound to deliver the certificate to the Company forthwith and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption. To any such repurchase the provisions of Article 10 shall apply subject to Article 9.7 below and save that the deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the relevant Net Asset Value may have been suspended under Article 12.
- 9.7 Settlement shall be effected (subject to any requisite official consents first having been obtained) by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of the certificate or certificates representing the Shares previously held by such person with the redemption request on the reverse of each duly signed. Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the Company the redemption monies so deposited (without interest) upon such consents being obtained and against the production of the said certificate or certificates with the redemption request on the reverse of each duly signed as aforesaid.
- 9.8 Any person or persons to whom Articles 9.1, 9.2, 9.3 and 9.4 shall apply shall indemnify the Directors, the Company, the Administrator, the Depositary, the Investment Manager and the Shareholders (each an "Indemnified Party") from any claims, demands, proceedings, liabilities, damages, losses, costs and expenses directly or indirectly suffered or incurred by such Indemnified Party arising out of or in connection with the failure of such person to comply with his obligations pursuant to this Article 9.

Every Shareholder and every investor (being a partnership, company or other investment vehicle or entity other than an individual) who is proposing to subscribe for, acquire or hold more than 10% or more of the Shares of the Company or a Fund must, if required by the Directors, immediately disclose in writing to the Company the number of U.S. Persons with a shareholding or interest in such investor or Shareholder. In addition, every Shareholder holding 10% or more of the Shares of the Company or a Fund shall be obliged, for so long as such Shareholder continues to hold 10% or more of the Shares of the Company or a Fund, if required by the Directors, to immediately disclose in writing to the Company any increase or decrease in the number of U.S. Persons with a shareholding or interest in such Shareholder. The Company shall be entitled to refuse to allot any Shares to, or to register a transfer in favour of, any investor or Shareholder if such allotment or transfer would result in such investor or Shareholder holding 10% or more of the Shares of the Company or, in the event that any Shareholder has been permitted to hold 10% or more of the Shares of the Company, to redeem such number of the Shares of the Company held by such Shareholder as would result in the number of Shares of the Company held by such Shareholder being less than 10% of the Shares of the Company.

10. REDEMPTION OF SHARES

- 10.1 Subject to the provisions of the Act and as hereinafter provided, the Company may redeem its own outstanding fully paid Shares at any time in accordance with the rules and procedures set out herein. For the avoidance of doubt, the Company may create limited liquidity Funds where Shareholders have limited rights to request the redemption of their Shares as provided for in the Prospectus, and may create closed-ended Funds where Shareholders have no right to request the redemption of their Shares, subject to any conditions set down by the Central Bank.

10.2 Subject to the provisions of the Act and as hereinafter provided, a Shareholder may at any time irrevocably request the Company to redeem all or any part of his Shares at a price per Share equal to the Redemption Price for each such Share as hereinafter determined and the Company shall on receipt by it or by its authorised agent of such request redeem or procure the redemption of such Shares at not less than the Redemption Price provided always that any such redemption shall be effected on the following terms and conditions:

- (i) a request for redemption of Shares shall be in such form as the Company shall prescribe and shall be delivered by the Shareholder to the Office or to such office of such person from time to time designated by the Company as its agent for the redemption of Shares on or before such time as shall from time to time be designated by the Board whether on or prior to the relevant Redemption Day and shall be accompanied by the share certificate (if any) duly endorsed by the Shareholder in relation to such Shares or by such proper evidence as the Directors may at their absolute discretion require in relation to succession or assignment, if applicable;
- (ii) subject as hereinafter provided the Shareholder shall not, without the consent of the Directors, be entitled to revoke or withdraw a request for redemption of his Shares duly given in accordance with this Article 10.2;
- (iii) the redemption of Shares pursuant to this Article 10.2 shall be effected on the Redemption Day following the day on which the redemption request is delivered in accordance with (i) above or on such other day as the Directors may determine and specify in the Prospectus or on such earlier Business Day as the Directors at the request of such Shareholder may in their absolute discretion agree provided that the redemption of Shares shall not be effected unless the certificate or certificates (if any) in respect of such Shares and in proper form has or have been returned to the Company and duly endorsed by the Shareholder subject always to the power of the Directors at their absolute discretion to dispense with the production of any certificate which shall become lost or destroyed on compliance with such conditions as to evidence and indemnity and the payment of the expenses of the Company in connection therewith as the Directors think fit. Redemption requests received by or on behalf of the Company up to such time on a Business Day as the Directors may determine shall, unless the Directors determine otherwise, be deemed to have been received on that Business Day. Such redemption requests as are received by or on behalf of the Company after such time on a Business Day as the Directors may determine shall be deemed to have been received by or on behalf of the Company on the following Business Day;
- (iv) the Redemption Price (less any appropriate provision for Duties and Charges in respect of the Shares being redeemed) shall be despatched to the Shareholder by the Company or its duly authorised agent within such number of days after the day on which redemption of the relevant Shares is effected as the Directors may determine and as shall be specified in the Prospectus and which will not, in any event, be greater than 90 days, except in the case of a limited liquidity or closed-ended fund, where payment shall be made in accordance with the time limits set out in the Prospectus;
- (v) any amount payable to a Shareholder in connection with the redemption of Shares under this Article 10 shall be paid in the Class Currency of the relevant Shares or in such other currency as the Directors shall have determined as appropriate at the rate of exchange for conversion on the date of payment provided that the certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons and provided further that the cost of conversion, if any, shall be debited from the converted payment and any such amount shall unless otherwise agreed with the Company or its duly authorised agent be paid by electronic bank transfer to the account designated by the relevant Shareholder;
- (vi) if the determination of the Net Asset Value is suspended on any Redemption Day by reason of a declaration or notice by the Directors pursuant to Article 12.4 hereof the right of the applicant Shareholder to have his Shares redeemed pursuant to this Article 10.2 shall be similarly suspended and during the period of suspension he may, with the approval of the Company, withdraw the request for redemption of his Shares (if any). Any

withdrawal of a request for redemption under the provisions of this Article 10.2 shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Redemption Day next following the end of the suspension or on such other Business Day following the end of the suspension as the Directors at the request of the applicant may agree;

- (vii) on a redemption of Shares, the Company shall be entitled to charge a redemption fee of up to 5% of the Redemption Price where such redemption takes place at the request of a Shareholder within six months from their subscription or purchase in the secondary market and such transaction fee or contingent deferred sales charge as may be specified in the Prospectus in an amount to be determined by the Directors with the approval of the Depositary but not to exceed such amount as the Directors may determine and disclose in the Prospectus;
 - (viii) a distribution in respect of a redemption may be made in cash or in kind, as determined by the Directors, in their discretion, after consultation with the Investment Manager. The assets to be transferred shall be selected at the discretion of the Directors with the approval of the Depositary and taken at their value used in determining the redemption price of the Shares being so repurchased. As a result, such distributions will only be made if the Directors and the Depositary consider that they will not materially prejudice the interests of the Shareholders of the relevant Fund as a whole and the Depositary is satisfied that the assets distributed are equivalent to the amount of the distribution declared. If a Shareholder so requests, the Investment Manager shall sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder; and
 - (ix) The Company, the Manager or the Administrator on its behalf reserves the right to refuse to make any redemption payment or distribution to a Shareholder if any of the Directors of the Company, the Manager or the Administrator suspects or is advised that the payment of any redemption or distribution moneys to such Shareholder might result in a breach or violation of any applicable anti-money laundering or other laws or regulations by any person in any relevant jurisdiction, or such refusal is considered necessary or appropriate to ensure the compliance by the Company, its Directors, the Manager or the Administrator with any such laws or regulations in any relevant jurisdiction.
- 10.3 Shares which are redeemed by the Company shall be cancelled. For the avoidance of doubt, Shares in a Fund which are held by another Fund as an Investment shall not be cancelled.
- 10.4 The Redemption Price for a Share of a particular series shall be the Net Asset Value per Share of such series as of the Valuation Day immediately prior to the relevant Redemption Day (as determined in accordance with Article 12.2) less such sum as the Directors, in their absolute discretion, may from time to time determine as an appropriate provision for Duties and Charges in relation to realisation or cancellation of the Share to be redeemed as at the relevant Redemption Day (which shall not be greater than 1.5% of the relevant Net Asset Value per Share) and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). The Directors may also, on any Dealing Day on which there are net redemptions adjust the Redemption Price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the Company.
- 10.5 In addition, if at any time after a redemption of Shares (including in connection with any complete redemption of Shares by a Shareholder) the Company determines, in its sole discretion, that the amount paid to such Shareholder or former Shareholder pursuant to such redemption was materially incorrect (including because the Net Asset Value at which the Shareholder or former Shareholder purchased such Shares was incorrect), the Company will pay to such Shareholder or former Shareholder any additional amount that the Company determines such Shareholder or former Shareholder was entitled to receive or, in the Company's sole discretion, seek payment from such Shareholder or former Shareholder of (and such Shareholder or former Shareholder

shall be required to pay) the amount of any excess payment that the Company determines such Shareholder or former Shareholder received, in each case without interest.

- 10.6 Upon the redemption of Shares being effected pursuant to this Article 10, the applicant Shareholder shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and such Shares shall be treated as cancelled and the amount of the issued share capital shall be reduced accordingly.
- 10.7 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that, on request, a balance certificate be issued for the balance of such Shares free of charge.
- 10.8 If outstanding redemption requests from Shareholders on any Redemption Day total in aggregate 10% of the Net Asset Value of a Fund (or 25% of the Net Asset Value in the case of a Fund with quarterly or less frequent redemption facilities or such other amount in respect of a limited liquidity Fund as the Directors may determine) on such Redemption Day or such higher amount as the Directors may from time to time determine and disclose in the Prospectus, the Directors, in consultation with the Investment Manager, shall be entitled at their discretion to refuse to redeem such number of Shares in issue on that Redemption Day in respect of which redemption requests have been received in excess of 10% (or such other amount, as appropriate) of the Shares of a Fund in issue as the Directors shall determine. If the Directors refuse to redeem Shares for these reasons, the requests for redemption shall be reduced rateably and the Shares to which each redemption request relates which are not redeemed shall be redeemed on each subsequent Redemption Day in priority to any request received thereafter, provided that the Company shall not be obliged to redeem more than 10% (or such other amount, as appropriate) of the Net Asset Value of Shares of a Fund outstanding on any Redemption Day or such higher amount as the Directors may from time to time determine and disclose in the Prospectus, until all the Shares to which the original request related have been redeemed. A Shareholder may withdraw his redemption request by notice in writing to the Administrator if the Directors exercise their discretion to refuse to redeem any Shares to which the request relates.
- If any Shareholder requests the redemption of Shares equal to 5% or more of the Net Asset Value of the Shares in issue on any Dealing Day, the Directors may at their absolute discretion, hold over the redemption of such numbers of Shares as exceeds 5% or distribute underlying investments rather than cash provided that any such distribution shall not materially prejudice the interest of other Shareholders. In such circumstances, the relevant Shareholder will have the right to instruct the Directors to procure the sale of such underlying investments on their behalf in which case the Shareholder will receive the proceeds net of all fiscal duties and charges incurred in connection with the sale of such underlying investments. If the Directors refuse to redeem Shares for this reason, the redemption request shall be reduced accordingly and the Shares to which such request relates which are not redeemed shall be redeemed on each subsequent Dealing Day in priority to any request received thereafter, subject to the same 5% limit, until all of the Shares to which the original redemption request related have been redeemed.
- 10.9 Requests for redemption which have been carried forward from an earlier Redemption Day pursuant to these Articles shall (subject always to the foregoing limits) be complied with in priority to later requests.
- 10.10 Notwithstanding any other provision of these Articles, the Company shall be entitled at any time and from time to time to repurchase any or all of the Subscriber Shares at a price of \$1.00 per Subscriber Share.
- 10.11 If a redemption of Shares by the Company would result in the number of Shareholders falling below two or such other number stipulated by any applicable statute or regulation from time to time to be the minimum number of Shareholders in the Company or where a redemption of Shares by the Company would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged from time to time to maintain pursuant to any applicable statute or law the Company shall be entitled to defer the redemption of the minimum number of Shares sufficient to ensure compliance by the Company with the applicable statute or law. Redemption of such Shares may be deferred until such time as the Company is being wound up,

or until the Company procures the issue of sufficient Shares to ensure that the redemption can be effected. The Directors shall be entitled to select the Shares in respect of which redemption is to be deferred in accordance with this Article 10.12 in such manner as shall appear to the Directors, with the approval of the Depositary, to be fair and reasonable.

- 10.12 If a Shareholder (“Redeeming Shareholder”) requests a redemption of Shares which have been held for less than such period as the Directors may determine and specify in the Prospectus or which, in the opinion of the Directors, constitute a substantial holding (the “Redemption Shares”) the Company may, with the approval of the Depositary and subject to the prior consent of the relevant Shareholder, satisfy the redemption request by either (i) the distribution in specie of assets of the relevant Fund on such basis as the Directors shall be satisfied does not prejudice the redeeming Shareholder or the remaining Shareholders of the Fund; or (ii) the transfer of such assets as would have been distributed in specie to the Redeeming Shareholder under paragraph (i) above to a separate account of the Company (the “Redemption Account”), provided that such assets will not be held on trust for the Redeeming Shareholder and will therefore be retained by the Company in the Redemption Account at the risk of the Redeeming Shareholder, with effect from the relevant Redemption Day and the taking of steps to liquidate such assets as soon as practicable having regard to the interests of the Redeeming Shareholder in order to satisfy the redemption request in respect of the Redemption Shares. Redemption proceeds payable to the Redeeming Shareholder will equal the amount realised by the Company on the disposal of the relevant assets plus any income earned by the Company in respect of such assets from the relevant Redemption Day (which shall accrue for the benefit of the Redeeming Shareholder) less costs incurred in connection with the disposal.
- 10.13 The Directors may, at their discretion, without notice, redeem the Shares of any Shareholder who does not comply with such Minimum Holding requirements or minimum subscription amounts as may be set out in these Articles and/or in the Prospectus from time to time including any requirement to make a minimum subscription over a specified period of time. The Redemption Price of such Shares shall be calculated in accordance with Article 10.4.
- 10.13 Where a closed-ended or limited-liquidity Fund proposes to amend the maximum redemption fee or maximum annual fee charged by the AIFM or the Investment Manager disclosed in the Prospectus and paid directly out of the assets of such Fund, the approval of such increase by 75% of votes cast in favour of the increase where there is no realistic opportunity to redeem a shareholding, and in all other circumstances, by 50% of the votes cast.
- 10.14 In connection with any closed-ended Fund established by the Company, at the end of such closed-ended period as may be disclosed in the Prospectus, relevant Shareholders in such Fund may be given the opportunity to vote on a Special Resolution to extend such closed-ended period in accordance with the requirements of the Central Bank. In the event that no such Special Resolution is passed at the end of the closed-ended period, or any extended closed-ended period, if applicable, then the Company undertake one of the following actions:
- (a) redeem all outstanding Shares of such Fund and thereafter will apply to the Central Bank for revocation of the Fund’s approval;
 - (b) convert to an open-ended Fund the relevant details of which will be disclosed in the Prospectus; or
 - (c) obtain Shareholder approval to extend the closed-ended period for a further finite period.

11. TOTAL REDEMPTION

- 11.1 The Company may redeem all (but not some) of the Shares or the Shares of any Tranche or class then in issue if:
- (i) the redemption of the Shares in a class or Tranche is approved by a resolution in writing signed by all of the holders of the Shares in that class or Tranche;

- (ii) the net asset value of a Fund or the net asset value of each series of a class of Shares of a Fund does not exceed or falls below such amount as shall be determined by the Directors and notified to Shareholders in the Prospectus;
- (iii) the Depositary shall have exercised its right to request such a redemption pursuant to the provisions of Article 3.7 hereof;
- (iv) the Directors deem it appropriate because of adverse political, economic, fiscal or regulatory changes affecting the Company or relevant class or Tranche of Shares;
- (v) the dissolution of a Fund is approved by an Ordinary Resolution, based on net asset value, (excluding any Shares held by the Investment Manager and any affiliate or employee of the Investment Manager (collectively, the "Investment Manager Shares")) at a meeting validly called for such purpose and in accordance with such conditions and procedures as may be described in the Prospectus. The Directors may amend or waive any of the provisions relating to the termination of a Fund described in this paragraph (v) and the Prospectus at any time in their sole discretion, so long as, after 26 August 2006, such amendment or waiver does not adversely affect the right of the Shareholders to terminate a Fund; or
- (vi) The Directors determine that it is in the best interests of Shareholders in the relevant Series or class.

The redemption of the Shares by the Company pursuant to this Article 11.1 shall be effected at the repurchase price calculated in accordance with Article 11.2 hereof and for the purposes of the calculation of the said Redemption Price the Business Day on which the Shares are repurchased shall be the relevant Redemption Day for the purposes of Article 11.2 hereof.

- 11.2 The redemption price per Share at which Shares of a particular series of a class shall be redeemed by the Company pursuant to this Article 11 shall be the Net Asset Value per Share of such series as of the Valuation Day immediately prior to the relevant Redemption Day (as determined in accordance with Article 13.1) less such sum as the Directors in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in relation to the realisation or cancellation of the Share to be repurchased and subject always to the resulting total being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit (A "unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). The redemption price per Share at which the Subscriber Shares shall be redeemed by the Company pursuant to this Article 11 shall be \$1.00 per Subscriber Share.
- 11.3 If all the Shares are to be redeemed as aforesaid the Directors may, at their absolute discretion divide amongst the Shareholders in specie all or part of the assets of the Company attributable to the relevant Fund according to the number of the Shares then held by each person holding Shares; provided, however that if the Shareholders so resolve by way of relevant Shareholder approval then the Directors shall liquidate or otherwise dispose of the assets and distribute the cash proceeds thereof, net of liabilities, to Shareholders instead of a distribution of assets in specie.
- 11.4 If all the Shares are to be repurchased as aforesaid and the whole or any part of the business or property of the Company or any of the assets of the Company are proposed to be transferred or sold to another company (hereinafter called the "Transferee") the Directors may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

12. **CONVERSION OF SHARES**

12.1 Shareholders will be entitled to exchange any or all of their Shares of any Tranche representing a Fund for Shares of the same class of any other Tranche in respect of any other Fund available for issue at that time, except during such period, if any, as the Directors may have temporarily suspended the conversion of Shares in accordance with Article 13.4. The general provisions and procedures relating to subscriptions and redemptions of Shares, including prior notice requirements will apply equally to any conversion of Shares. Conversion of Shares will be effected at the Net Asset Value per Share of the original series and of the new series in accordance with the Articles as of the Dealing Day on which the conversion instruction is received by the Administrator on behalf of the Company, or if the instruction is received after the relevant Dealing Deadline, as of the next Dealing Day.

12.2 When requesting the conversion of Shares as an initial investment in a Fund, Shareholders must ensure that the value of the Shares converted is equal to or exceeds any minimum holding for the relevant Fund as specified in the Prospectus. In the case of a conversion of a partial holding only, the value of the remaining holding must also be at least equal to any minimum holding for the relevant Fund.

13. DETERMINATION OF NET ASSET VALUE

13.1 The Company or its duly appointed agent shall determine the Net Asset Value of the each Fund expressed in the Base Currency of the relevant Fund by ascertaining at the Valuation Point on each Valuation Day the value of the assets of the Company attributable to each Fund calculated pursuant to Article 14.1 hereof, and deducting from such amount the liabilities of the Company attributable to the relevant Fund calculated pursuant to 14.5 hereof. The Net Asset Value per Share of each series of a class of a Fund which is designated in a Class Currency other than the Base Currency of the Fund shall be calculated by the Company or its duly appointed agent in the relevant Class Currency using the exchange rates available at 4.00 pm (London time) on the relevant Valuation Day, or such other third party exchange rate, whether official or otherwise, as the Directors, or their delegate, may from time to time determine in consultation with the Investment Manager. If such quotations are not available, the rate of exchange will be determined by the Directors in accordance with policies established in good faith by the Investment Manager.

13.2 In calculating the Net Asset Value of the each Fund:

- (i) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (ii) every Share agreed to be issued or allotted but not issued by the Company on the relevant Valuation Day shall be deemed to be in issue and the assets of the Company attributable to the relevant Fund shall be deemed to include any cash or other property to be received in respect of such Share;
- (iii) there shall be added to the Company's assets any actual or estimated amount of any taxation of a capital nature which may be recoverable by the Company;
- (iv) there shall be added to the Company's assets attributable to the relevant Fund a sum representing any interest or dividends or other income accrued but not received in respect of such assets;
- (v) there shall be added to the Company's assets attributable to the relevant Fund the total amount (whether actual or estimated by the Directors) of any claims for repayment of any taxation levied on income of the Company attributable to the relevant Fund and for double taxation relief in relation to the assets of the Company attributable to the relevant Fund;
- (vi) there shall be added to the Company's assets attributable to the relevant Fund, the total amount (whether actual or estimated by the Directors) of any realised and/or unrealised gains of the Company in respect of such assets; and

- (vii) there shall be added to the Company's liabilities attributable to the relevant Fund, the total amount (whether actual or estimated by the Directors) of any realised and/or unrealised losses of the Company in respect of such assets.

The Net Asset Value per Share with respect to a series of Shares initially will be equal to the Net Asset Value per Share of such series as of the date of its creation.

Since the various series of Shares are issued at different dates, the Net Asset Value per Share of one series will differ from the Net Asset Value per Share of another series. Any appreciation or depreciation of the Net Asset Value of a Fund (excluding any appreciation or depreciation resulting from expenses, income, gains and losses that are attributable to any foreign exchange hedging in respect of a Foreign Exchange Class (as further described below)) for a Valuation Period shall be allocated among the different series of Shares in the relevant Tranche *pro rata* in accordance with the Net Asset Value of each series at the beginning of the applicable Valuation Period prior to any accrued Performance Fee and excluding any Net Asset Value attributable to any foreign exchange hedging positions in respect of a Foreign Exchange Class but after adjustment for any subscriptions, distributions and redemptions in the Fund as of the beginning of the Valuation Period. The Net Asset Value per Share (prior to any applicable Performance Fee accrual) for each series of Shares of a Tranche (other than any series of Shares of a Foreign Exchange Class) is determined by attributing in each Valuation Period any appreciation or depreciation of the net asset value of the Fund among the different series of Shares (as set forth above), and then dividing the Net Asset Value of such series by the number of outstanding Shares therein. The Net Asset Value for each series of Shares shall be appropriately adjusted to account for dividends paid with respect to such Shares and for additional subscriptions, distributions and redemptions.

Foreign exchange hedging may be utilised for the benefit of a particular class or group of classes of Shares in a Tranche (each such class, a "Foreign Exchange Class") and its cost and related liabilities and/or benefits shall be for the account of such class or group of classes of Shares in the Tranche only. Accordingly, any appreciation or depreciation of the Net Asset Value of the Company resulting from expenses, income, gains and losses that are attributable to any foreign exchange hedging in respect of a Foreign Exchange Class or group of Foreign Exchange Classes shall be attributable solely to the Foreign Exchange Class or Classes to which it relates. The net asset value for each series of a Foreign Exchange Class is determined by attributing in each Valuation Period the aggregate appreciation or depreciation of the Net Asset Value of the Fund that is allocated to all of the series of such Foreign Exchange Class or Classes in accordance with the provisions above, together with any appreciation or depreciation of the Net Asset Value of the Fund resulting from expenses, income, gains and losses attributable to any foreign exchange hedging positions in respect of such Foreign Exchange Class or Classes, *pro rata* in accordance with the Net Asset Value of each series of such Foreign Exchange Class or Classes at the beginning of the applicable Valuation Period (including any portion thereof attributable to any foreign exchange hedging in respect of such Foreign Exchange Class) prior to any accrued Performance Fee and after adjustment for any subscriptions, distributions and redemptions as of the beginning of the Valuation Period. The Net Asset Value per Share of each series of a Foreign Exchange Class shall be equal to the Net Asset Value of such series divided by the number of outstanding Shares therein.

Shares within a series will have the same Net Asset Value per Share.

- 13.3 Values expressed in a currency other than the Base Currency will be converted into the Base Currency using the exchange rates available at 4.00 pm (London time) on the relevant Valuation Day, or such other rate as the Directors or their delegate may from time to time determine in consultation with the Investment Manager. If such quotations are not available, the rate of exchange will be determined by the Directors or their delegate in accordance with policies established in good faith by the Investment Manager.

In calculating the number of Shares in issue:

- (a) every Share agreed to be issued or allotted but not issued by the Company on the Valuation Day shall be deemed to be in issue; and

- (b) where notice of a reduction of the share capital by cancellation of Shares has been given by the Directors to the Administrator but such cancellation has not been completed prior to or on the relevant Valuation Day, the Shares to be cancelled shall be deemed not to be in issue.

Temporary Suspension of Dealings

13.4 The Directors may at any time, with the approval of the Depositary, temporarily suspend the issue, valuation, sale, purchase, redemption, repurchase and exchange of Shares in any Fund during:

- (a) any period when any Recognised Market on which a substantial portion of the investments for the time being comprised in the relevant Fund are quoted, listed or dealt in is closed otherwise than for ordinary holidays, or during which dealings in any such Recognised Market are restricted or suspended;
- (b) any period where, as a result of political, military, economic or monetary events or other circumstances beyond the control, responsibility and power of the Company, the disposal or valuation of investments for the time being comprised in the relevant Fund cannot, in the opinion of the Directors, be effected or completed normally or without prejudicing the interest of Shareholders;
- (c) any breakdown in the means of communication normally employed in determining the value of any investments for the time being comprised in the relevant Fund or during any period when for any other reason the value of investments for the time being comprised in the relevant Fund cannot, in the opinion of the Directors, be promptly or accurately ascertained;
- (d) any period when the Company is unable to repatriate funds for the purposes of making redemption or purchase payments or during which the realisation of investments for the time being comprised in the relevant Fund, or the transfer or payment of funds involved in connection therewith cannot, in the opinion of the Directors, be effected at normal prices or normal rates of exchange;
- (e) any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Directors, have an adverse impact on the relevant Fund or the remaining shareholders in such Fund;
- (f) any period following the service of a notice convening a meeting of the Shareholders at which a resolution is proposed to terminate a Fund or the Company; or
- (g) any period when the issue, valuation, sale, purchase, redemption, repurchase and exchange of Shares in any Underlying Fund in which a Fund has invested a substantial portion of its assets is suspended.

13.5 Notice of any such suspension by the Directors of the Company shall be notified within the same Dealing Day to the Central Bank and (where relevant) without delay to Euronext Dublin. Shareholders who have requested issue, purchase or redemption of Shares in any Fund will have their request dealt with on the first Dealing Day after the suspension has been lifted unless such requests have been withdrawn prior to the lifting of the suspension. All reasonable steps will be taken to bring any period of suspension to an end as soon as possible. If in the opinion of the Directors the suspension is likely to exceed thirty days, it shall be notified as soon as practicable thereafter to any Shareholders affected by such suspension. Notice of any such suspension shall be provided without delay to the Central Bank. Notice of any suspension shall be published by the Company in such newspapers and through such other media as the Directors may from time to time determine if, in the opinion of the Manager, it is likely to exceed fourteen days. Shareholders who have requested the issue or redemption of Shares of any class will have their subscription or redemption request dealt with on the next regularly scheduled Dealing Day or Redemption Day, respectively, after the suspension has been lifted unless applications or redemptions requests have been withdrawn prior to the lifting of the suspension. Shares shall be held by the Shareholder

during this period of suspension as if no redemption request had been made. Where possible, reasonable steps will be taken to bring any period of suspension to an end as soon as possible.

14. VALUATION OF ASSETS

14.1 The assets of a Fund will be valued to the nearest two decimal places at the Valuation Point as follows:

- (a) equity, fixed income and money market assets listed or traded on a Recognised Market (other than those referred to at (j) below) for which market quotations are readily available shall be valued at the last traded price on the principal exchange or market for such investment provided that the value of any investment listed on a Recognised Market but acquired or traded at a premium or at a discount outside or off the relevant Recognised Market may be valued taking into account the level of premium or discount as at the date of valuation of the investment and the Depositary must ensure the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security. If for specific assets the last traded prices do not, in the opinion of the Manager or an External Valuer, reflect their fair value, or are not available the value shall be estimated with care and in good faith by the Manager or an External Valuer in consultation with the relevant Investment Manager with a view to establishing the probable realisation value for such assets as at the Valuation Point;
- (b) if the assets are listed or traded on several Recognised Markets, the last traded price (in the case of equity assets) or the latest mid-market price (in the case of fixed income and money market assets) on the Recognised Market which, in the opinion of the Manager or an External Valuer, constitutes the main market for such assets, will be used;
- (c) in the event that any of the investments are not listed or traded on any Recognised Market, such securities shall be valued at their probable realisation value as at the Valuation Point estimated with care and in good faith by the Manager in consultation with the relevant Investment Manager or by an External Valuer;
- (d) cash and other liquid assets will be valued at their face value with interest accrued, where applicable, up to the Valuation Point;
- (e) units or shares in open-ended and closed-ended collective investment schemes not valued in accordance with (i) above will be valued at the latest available net asset value as published by the collective investment schemes as at the Valuation Point, or, if unavailable at the probable realisation value, as estimated with care and in good faith and as may be recommended by the Manager or an External Valuer;
- (f) the Manager or an External Valuer may adjust the value of any investment if they consider such adjustment is required to reflect the fair value thereof in the context of currency, marketability and/or such other consideration which are deemed relevant with the approval of the Depositary;
- (g) any value expressed otherwise than in the base currency of the relevant Fund (whether of an investment or cash) and any non-base currency borrowing shall be converted into the base currency at the rate (whether official or otherwise) which the Manager or an External Valuer deems appropriate in the circumstances;
- (h) exchange traded derivative instruments will be valued at the settlement price for such instruments on such market as at the Valuation Point; if such price is not available such value shall be the probable realisation value estimated with care and in good faith by the Manager or an External Valuer. Over-the-counter derivative instruments will be valued on each Dealing Day at the settlement price as at the Valuation Point as provided by the counterparty on a weekly basis and verified at least on a monthly basis by the Manager or an External Valuer (being independent from the counterparty). Forward foreign exchange contracts shall be valued with reference to the prevailing market maker quotations,

namely, the price at which a new forward contract of the same size and maturity could be undertaken; and

- (i) money market instruments held by a Fund with a remaining maturity or interest rate reset of 6 months or less will be valued, where possible, by the amortised cost method, which approximates market value. The Directors, or their delegate, shall review each week any discrepancies between the market value of the assets and the value as determined by the amortised cost method of valuation. If at any time, however, the market value of any of the assets of any Fund deviates by more than 0.5% from its value determined on an amortised cost basis, the pricing of such security will be reviewed. If the deviation is greater than 0.3% the Directors, or their delegate, will review the discrepancies on each Business Day until the deviation is less than 0.3%. The Directors will monitor the use of the amortised cost method of valuation in order to ensure that this method continues to be in the best interests of the Shareholders and to provide a fair valuation of the investments of the Fund. There may be periods during which the stated value of an instrument determined under the amortised cost method of valuation is higher or lower than the price which the Fund would receive if the instrument were sold, and the accuracy of the amortised cost method of valuation can be affected by changes in interest rates and the credit standing of issuers of the Fund's investments.

In the event of it being impossible, impractical or incorrect to carry out a valuation of a specific investment in accordance with the valuation rules set out in paragraphs (i) to (viii) above, or if such valuation is not representative of the securities fair market value, the Manager or an External Valuer is entitled to adopt an alternative valuation method which has been approved by the Depositary in order to reach a proper valuation of that specific investment.

Any value expressed otherwise than in the Base Currency (whether of an investment or cash) and any non-Base Currency borrowing shall be converted into the Base Currency at the rate (whether official or otherwise) which the Administrator deems appropriate in the circumstances.

Where a Class is designated in a currency other than the Base Currency, the Net Asset Value of Shares in that Class shall be calculated in the Base Currency and converted into the currency of designation of that Class at the rate (whether official or otherwise), which the Administrator deems appropriate in the circumstances. Changes in the exchange rate between the Base Currency of a Fund and such designated currency may lead to a depreciation of the value of such Shares as expressed in the designated currency.

The Net Asset Value per Share of any listed Class will be notified to Euronext Dublin immediately upon calculation (where relevant).

Dividends, interest and capital gains (if any) which the Company (or its AIFM) receives with respect to its investments (other than securities of Irish issuers) may be subject to taxes, including withholding taxes, in the countries in which the issuers of investments are located. It is anticipated that the Company (or its AIFM) may not be able to benefit from reduced rates of withholding tax in double taxation agreements between Ireland and such countries. If this position changes in the future and the application of a lower rate results in a repayment to the Company (or its AIFM), the Net Asset Value will not be re-stated and the benefit will be allocated to the existing Shareholders rateably at the time of the repayment.

14.2 The liabilities of the Company shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the Company (except liabilities taken into account in determining the value of the assets of the Company under Article 14.1 above) including, without limitation to the generality of the foregoing:

- (i) all administrative and professional fees and expenses payable and/or accrued including, without prejudice to the generality of the foregoing, all remuneration, fees, costs and expenses payable by the Company and/or accrued and/or estimated to be payable by the Company to the Distributor, the Depositary, the Investment Manager, the Administrator and the legal advisers of the Company and to any other person, firm or corporation providing services to the Company and all other projected expenses as the Directors

consider fair and reasonable and properly payable out of the assets of the Company and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the Company;

- (ii) any and all outstanding borrowings and all accrued interest payable thereon including, without prejudice to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the Company in respect of any debentures, debenture stock, loan stock, loan notes, bonds or other debt obligations created or issued by the Company;
- (iii) all bills, notes and accounts payable;
- (iv) the total amount of any actual or estimated liabilities for any and all tax of whatsoever nature and howsoever arising on the income or deemed income and realised capital gains of the Company as at the relevant Valuation Day;
- (v) the total amount of any actual or estimated liabilities for withholding tax (if any) payable on any of the Investments in respect of the current Accounting Period;
- (vi) an appropriate provision for all taxes and contingent liabilities as determined from time to time by the Directors; and
- (vii) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the Company.

Further, the Directors may determine that the Net Asset Value calculated in respect of a Fund on a Dealing Day on which there are net subscriptions into or net redemptions from the Fund may be adjusted to avoid or reduce the dilutive effect of such dealing caused by the cost of acquiring or disposing of Investments, including, without limitation, dealing charges, taxes, and any spread between acquisition and disposal prices of Investments. Any such policy shall be applied consistently in respect of a Fund and in respect of all of the Investments of that Fund.

14.3 Without prejudice to their general powers to delegate their functions, the Directors may delegate any of their functions in relation to the calculation of Net Asset Values and Net Asset Values per Share of a series of Shares, to the Administrator or to any duly authorised person. In the absence of bad faith or manifest error, every decision taken by the Directors or any duly authorised person on behalf of the Company in calculating a Net Asset Value per Fund or Net Asset Value per Share of a series of Shares, shall be final and binding on the Company and on present, past and future Shareholders except as otherwise provided in these Articles.

15. **TRANSFER AND TRANSMISSION OF SHARES**

15.1 A Shareholder shall be entitled to transfer or dispose of his Shares to any person at such price and upon such terms as he sees fit provided always that a Shareholder shall not be entitled to transfer his Shares, except with the consent of the Directors, to a U.S. Person other than a Permitted U.S. Person or to a person otherwise disqualified from holding Shares, or holding such class of Shares, under the terms of these Articles or otherwise howsoever.

15.2 All transfers of Shares shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors from time to time and every form of transfer shall state the full name and address of the transferor and transferee.

15.3 The instrument of transfer of a Share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.

15.4 The Directors may decline to register any transfer of Shares unless the instrument of transfer is deposited at the Office or such other place as the Directors may reasonably require accompanied by the certificate (if any) for the Shares to which it relates, and such other evidence as the

Directors may reasonably require to show the right of the transferor to make the transfer and to show the identity of the transferee and the Directors may decline to register a transfer of Shares:

- (a) in the absence of satisfactory evidence that the proposed transferee is not and will not be holding units on behalf of, directly or indirectly, a disqualified person;
 - (b) if in the opinion of the Directors the transfer would be unlawful or result, or be likely to result, in any adverse regulatory, tax or fiscal consequence or material administrative disadvantage to the relevant Fund or its Shareholders as a whole including, without limitation, if it would cause the Company to be required to register pursuant to the 1934 Act, or the rules promulgated thereunder to register as an investment company under the 1940 Act or to register any shares under the 1933 Act;
 - (c) in the absence of satisfactory evidence of the transferee's identity;
 - (d) if the transfer is a "chargeable event" giving rise to an obligation on the Company to deduct appropriate tax unless the Company is satisfied that it can levy the aggregate tax on this proposed transferor by way of forfeiture of such number of Shares of the proposed transferor as are necessary to discharge such liability and unless the Company receives a valid Declaration from the proposed transferee;
 - (e) if, as a result of the transfer, the aggregate Net Asset Value of the Shares held by any transferee would be less than the minimum holding amount for the relevant class of Shares as set out in the Prospectus;
 - (f) if the proposed transferee has not certified in writing to the Company or its delegate that it is a Qualifying Investor or Knowledgeable Employee and that it is aware of the risk involved in investment in the Company and of the fact that inherent in the investment is the potential to lose all of the sum invested;
 - (g) the proposed transfer would result in the transferor or the transferee holding Shares with a value less than €100,000 or the foreign currency equivalent; or
 - (h) in the absence of a valid declaration from the transferee.
- 15.5 The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration of transfers shall not be suspended for more than thirty days in any year.
- 15.6 All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 15.7 In the case of the death of a Shareholder, the survivors or survivor where the deceased was joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the Company as having title to his interest in the Shares, but nothing in this Article 15 shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
- 15.8 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder or by the Shareholder under legal disability before such disability.
- 15.9 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all moneys payable

or other advantages due on or in respect of the Share, but he shall not be entitled to vote at meetings of the Company, nor, save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he shall be registered as a Shareholder in respect of the Share provided always that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

- 15.10 No person shall be entitled to be registered as a Shareholder until such time as the relevant application form has been completed to the satisfaction of the Company.

16. HEDGING POWERS

- 16.1 Subject to the provisions of the AIF Rulebook, the Directors may exercise all the powers of the Company to employ techniques and instruments for efficient portfolio management (including but not limited to hedging) and investment purposes in relation to the Investments or any of them or any other assets or any borrowing by the Company.

- 16.2 Without limitation to the generality of Article 16.1, the Directors, on behalf of the Company, may, subject to the provisions of the AIF Rulebook, employ techniques and instruments intended to provide protection against exchange risks in the context of the management of its assets and liabilities.

17. GENERAL MEETINGS

- 17.1 General meetings of the Company may be held in Ireland or elsewhere in accordance with section 176 of the Act.

- 17.2 The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next PROVIDED THAT so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation. Subsequent annual general meetings shall be held once in each year within six months of the Accounting Date at such time and place as may be determined by the Directors.

- 17.3 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.

- 17.4 The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists being holders of Subscriber Shares, and in such manner as provided by the Act.

- 17.5 If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or one member of the Company may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

18. NOTICE OF GENERAL MEETINGS

- 18.1 At least twenty-one Clear Days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions of these Articles or the conditions of issue of the Shares held by them entitled to receive notices from the Company, provided however, that an extraordinary meeting at which no Special Resolution is to be considered may be convened on not less than fourteen Clear Days' notice. The notice shall also give particulars of any Directors who are to retire at the meeting and of any persons who are recommended by the Directors for appointment or re-appointment as Directors at the meeting, or in respect of whom notice has been

duly given to the Company of the intention to propose them for appointment or re-appointment as Directors at the meeting.

- 18.2 Where, by any provision contained in the Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Act permits) before the meeting at which it is moved, and the Company shall give to the members notice of any such resolution as required by and in accordance with the provisions of the Act.
- 18.3 The Directors, the Depositary, the Administrator, the Investment Manager and the Auditors shall be entitled to receive notice of and attend and speak at any general meeting of the Company.
- 18.4 In every notice calling a meeting of the Company, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Shareholder.
- 18.5 The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

19. **PROCEEDINGS AT GENERAL MEETINGS**

- 19.1 All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting with the exception of declaring a dividend and the consideration of the accounts and the reports of the Directors and Auditors, the election of Directors in the place of those retiring, the re-appointment of the Auditors and the fixing of the remuneration of the Auditors and the Directors.
- 19.2 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Article 20.12 of these Articles and present at any meeting of the Company shall be deemed to be a Shareholder for the purpose of a quorum.
- 19.3 If within half an hour after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder present either in person or by proxy shall be a quorum for any such adjourned meeting.
- 19.4 The chairman or, if absent, the deputy chairman of the Directors, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company, but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman or if no Directors be present, or if all the Directors present decline to take the chair, the Subscriber Shareholders present shall choose a Subscriber Shareholder present to be chairman.
- 19.5 The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time (or sine die) and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more than ten Clear Days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at the adjourned meeting.
- 19.6 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded

by the chairman or by at least five Shareholders present in person or by proxy or any Shareholders present representing at least one tenth of the Shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

- 19.7 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 19.8 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- 19.9 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 19.10 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- 19.11 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 19.12 A demand for a poll may be withdrawn but only with the consent of the Chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made. No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.
- 19.13 Subject to Section 193 of the Act, a resolution in writing signed by all the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly appointed representatives) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Shareholders and if described as a Special Resolution shall be deemed to be a special resolution within the meaning of these Articles.

20. **VOTES OF SHAREHOLDERS**

- 20.1 Subject to any special rights or restrictions for the time being attached to any Shares, each Shareholder shall be entitled to such number of votes at any General Meeting as shall be produced by dividing the aggregate Net Asset Value per Share of that Shareholder's shareholding (expressed or converted into the relevant Base Currency and calculated as of the relevant record date) by one, provided that notwithstanding any other provisions of these Articles, the Directors may specify in relation to a class of Shares (i) that any holder of that class of Shares who is a Permitted U.S. Person or who is owned or controlled by one or more U.S. Persons, and who holds or owns Shares constituting 10% or more of the voting power of the Shares of the Company or that class of Shares in the Company then in issue, may only exercise voting rights with respect to the Shares of that class which represent less than 10% of the voting power of the Shares of the Company, or such class of Shares of the Company then in issue, whichever is the lesser; and/or (ii) that any holder of that class who is a pension plan registered under the Income Tax Act of Canada and is subject to the Canadian Pensions Benefits Standards Regulations, issued pursuant to the Canadian Pensions Benefits Standards Act 1985 (as same may be amended from time to

time) or other Canadian Federal and/or provincial regulations or applicable plan documents which restrict the exercise of voting rights, may only exercise voting rights with respect to the Shares which represent less than 30% of the voting power of the Company when voting on any resolution in relation to the appointment or removal of a Director. The Subscriber Shareholders shall have one vote for each Subscriber Share held. The “relevant record date” for these purposes shall be a date being not more than thirty days prior to the date of the relevant general meeting or written resolution as determined by the Directors. Where a separate written resolution or General Meeting of a particular Tranche, class or series of Shares is held, in such circumstances, the Shareholders’ votes shall be calculated by reference only to the aggregate Net Asset Value per Share of each Shareholder’s shareholding in that particular Tranche, class or series. In relation to a resolution which in the opinion of the Directors affects more than one Tranche or class, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such class, such resolution shall have been passed at a separate meeting of the Shareholders of each such Tranche or class. The Directors may in their discretion create classes within a Tranche which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the Company.

- 20.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 20.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 20.4 On a poll votes may be given either personally or by proxy.
- 20.5 On a poll, a Shareholder entitled to more than one vote need not, if he votes, cast all his votes or cast all the votes he is entitled to in the same way.
- 20.6 Every member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. An instrument of proxy shall be in the usual form or in such form as the Directors may approve PROVIDED ALWAYS that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- 20.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 20.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the Office or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours (or such other period as the Directors may determine at their discretion) before the time appointed for holding the meeting or adjourned meeting or the taking of a poll at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid. Provided that:
- (i) in the case of a meeting which is adjourned to, or a poll which is to be taken on, a date which is less than seven days after the date of the meeting which was adjourned or at which the poll was demanded, it shall be sufficient if the instrument of proxy and any such authority and certification thereof as aforesaid is lodged with the Secretary at the commencement of the adjourned meeting or the taking of the poll; and
 - (ii) an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require to be delivered again for the purposes of any subsequent meeting to which it relates.

Deposit of an instrument of proxy in respect of a meeting shall not preclude a member from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

- 20.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 20.10 The Directors may at the expense of the Company send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 20.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the shares in respect of which the instrument of proxy is given or the authorisation of the representative to act was given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the Office before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 20.12 Any body corporate which is a Shareholder or creditor of the Company may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 20.13 With regard to the respective rights and interests of Shareholders of different Series and/or different classes, the foregoing provisions of these Articles shall have effect subject to the following modifications:
- (i) a resolution which in the opinion of the Directors affects one Series or class of Shares shall be deemed to have been duly passed if passed at a separate meeting of the Shareholders of that Series or class;
 - (ii) a resolution which in the opinion of the Directors affects more than one Series or class of Shares but does not give rise to a conflict of interests between the Shareholders of the respective Series or classes shall be deemed to have been duly passed if passed at a single meeting of the Shareholders of those Series or classes;
 - (iii) a resolution which in the opinion of the Directors affects more than one Series or class of Shares and gives or may give rise to a conflict of interests between the Shareholders of the respective Series or classes shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the Shareholders of those Series or classes, such resolution shall have been passed at a separate meeting of Shareholders of each such Series or class; and
 - (iv) to all such meetings as aforesaid all the provisions of these Articles shall, *mutatis mutandis*, apply as though references therein to Shares and Shareholders were references to the Shares of the Series or class in question and to the Shareholders of the time being of such Series or classes respectively.

- 20.14 On a poll of all the holders of shares of more than one class, for the time being, the voting rights of holders shall be adjusted in such manner, determined by the Directors, so as to reflect the most recently calculated price at which the shares of each of the classes in question may be repurchased by the Company.
- 20.15 The Directors may, with the sanction of a Special Resolution of the Members, as part of a reconstruction or amalgamation of the Company, redeem and cancel all of the Participating Shares of the Company and any redemption effected in accordance with this sub-paragraph shall be deemed to have been effected in accordance with the provisions of Article 11.

21. **DIRECTORS**

- 21.1 Unless otherwise determined by the Shareholders by Ordinary Resolution, the number of the Directors shall not be less than two nor more than nine. The first Directors shall be appointed by the subscribers to these Articles.
- 21.2 A Director need not be a Shareholder.
- 21.3 No Director will be required to retire by rotation or on account of age.
- 21.4 The Directors shall have power at any time and from time to time to appoint any person approved by the Central Bank to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- 21.5 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine provided always that the aggregate amount of the remuneration payable to the Directors in accordance with this Article 21.5 in any one year shall not exceed US\$100,000 in respect of the Company or such other amount as the Directors may from time to time determine and disclose to the Shareholders. Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Board or general meetings or class meetings of the Company or any other meetings in connection with the business of the Company.
- 21.6 The Directors may in addition to such remuneration as is referred to in Article 21.5 of these Articles grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the Company in general meeting.
- 21.7 Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a Board meeting, appoint any person (including another Director) to be his alternate Director and may in like manner at any time terminate such appointment.
- 21.8 The appointment of an alternate Director shall terminate on the happening of any event which if he were a Director would cause him to vacate such office or if his appointor ceases to be a Director.
- 21.9 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he, instead of his appointor, were a Director. If he shall be himself a Director or shall attend any such meeting as an alternate for more than one Director his voting rights shall be cumulative provided however that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to act his signature to any resolution in writing of the Directors and for the purposes of affixing the Seal or the Official Seal shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Board, the foregoing provisions of this Article 21.9 shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a member. An alternate Director shall not, save as aforesaid or as otherwise in these Articles provided, have power to act as a Director nor shall he be deemed to be a Director for the purposes

of these Articles. If the Director appointing an alternate shall die or otherwise cease to hold the office of Director, the appointment of the alternate hereunder shall thereupon cease and terminate.

21.10 An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.

21.11 The office of a Director shall be vacated on any of the following events namely:

- (i) if he resigns his office by notice in writing signed by him and left at the Office;
- (ii) the Director is adjudicated bankrupt or being a bankrupt has not obtained a certificate of discharge in the relevant jurisdiction;
- (iii) the Director becomes or is deemed to be subject to a disqualification order within the meaning of the Act;
- (iv) the health of the Director is such that he or she can no longer be reasonably regarded as possessing an adequate decision making capacity;
- (v) a declaration of restriction is made in relation to the Director and the Company does not satisfy the capital requirements prescribed in section 819 of the Act;
- (vi) a declaration of restriction is made in relation to the Director and notwithstanding that the Company satisfies the capital requirements prescribed in section 819 of the Act, his or her co-Directors resolve at any time during the currency of the declaration that his or her office be vacated;
- (vii) the Director is sentenced to a term of imprisonment following conviction of an indictable offence;
- (viii) if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of, an order made under the provisions of any law or enactment;
- (ix) the Director is absent from eight successive meetings without leave expressed by Resolution of the Directors, or is for more than six months absent, without the permission of the Directors, from meetings of the Directors held during that period;
- (x) the Director is requested by his or her co-Directors to vacate his or her office. Any such request shall be made in writing (and may be in counterparts) by letter, email, facsimile or other means or alternatively shall be made orally at a board meeting at which such co-Directors are present in person or by proxy, irrespective of whether the Director in respect of whom the request is made is present or not. The vacation of the said Director's office as Director shall take effect on the date the request is made or, if later, the date stated to be the effective date in that request or, if the request is made orally at a board meeting, with effect from the termination of the meeting. Notification of any request under this regulation shall be sent by the Company by recorded delivery to the Director at his usual residential address as notified to the Company, or if not so notified, then to the address of the Director last known to the Company; or
- (xi) if he is removed from office by an Ordinary Resolution and

the application of section 148(2) of the Act shall be modified accordingly.

21.12 Subject to the provisions of Section 235 of the Act, no Director or other officer of the Company shall be liable for the acts, receipts, neglects or defaults of any other Director or officer or for joining in any receipt or other act for conformity or for any loss of expenses happening to the

Company through the insufficiency or deficiency of title to any property acquired for or on behalf of the Company or for the insufficiency or deficiency of any security in or upon which any of the monies of the Company shall be invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any monies, securities or effects shall be deposited or any other loss, damage or misfortune whatsoever which may happen in the execution of the duties of his office or in relation thereto.

22. TRANSACTIONS WITH DIRECTORS

22.1 A Director may hold any other office or place of profit under the Company (other than the office of Auditor) in conjunction with his office of Director and may act in a professional capacity to the Company, on such terms as to remuneration and otherwise as the Directors may determine.

22.2 Subject to the provisions of the Act, and provided that he has disclosed to the Directors the nature and extent of any material interest of his prior to the conclusion of such transaction, a Director notwithstanding his office:

- (i) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is interested; and
- (ii) shall not be accountable, by reason of his office, to the Company for any benefit which he derives from any such office or employment or from any such transaction or arrangement or from any interest in any body corporate which enters into any such transaction or arrangement and no such transaction or arrangement shall be liable to be avoided on the ground of any such interest or benefit.

22.3 No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser, professional adviser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established, but the nature of his interest must be declared by him at the Board meeting at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement, then at the next Board meeting held after he becomes so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, then at the first Board meeting held after he becomes so interested. A general notice in writing given to the Directors by any Director to the effect that he is a shareholder, officer or employee of any specified company or a partner or employee in any specified firm, and is to be regarded as interested in any contract or arrangement which may thereafter be made with that company or firm, shall be deemed a sufficient declaration of interest in relation to any contract or arrangement made.

22.4 For the purposes of this Article 22:

- (i) a general notice in writing given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified;
- (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his; and
- (iii) an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.

- 22.5 Save as otherwise provided by the provisions of this Article 22 and unless the majority of the Directors acting through the Board otherwise determine, a Director shall be entitled to vote at any Board meeting or a committee of the Board in respect of any contract or arrangement or any proposal whatsoever in which he has any material interest and be counted in the quorum in respect of any resolution concerning any such contract, arrangement or proposal including, without limitation to the generality of the foregoing, any resolution concerning any of the following matters, namely:
- (i) the giving of any security, guarantee or indemnity to him in respect of money lent or obligations incurred by him at the request of or for the benefit of the Company or any of its subsidiaries;
 - (ii) the giving of any security, guarantee or indemnity to a third party in respect of a debt or obligation of the Company or any of its subsidiaries for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
 - (iii) any proposal concerning an offer of Shares or debentures or other securities of or by the Company or any of its subsidiaries for subscription, purchase or exchange in which offer he is or is to be interested as a participant in the underwriting or sub-underwriting thereof; or
 - (iv) any proposal concerning any other company or firm in which he is interested, directly or indirectly and whether as an officer, shareholder, partner, employee, agent or otherwise howsoever.
- 22.6 Where proposals are under consideration concerning the appointment (including fixing or varying the terms of appointment) of two or more Directors to offices or employment with the Company or any company in which the Company is interested, such proposals may be divided and considered in relation to each Director separately and in such case each of the Directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution except that concerning his own appointment.
- 22.7 If any question shall arise at any Board meeting or of a committee of Board as to the materiality of a Director's interest or as to the entitlement of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question shall be referred to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive except in a case where the nature or extent of the interests of the Director concerned has not been fairly disclosed.
- 22.8 The Shareholders may by Ordinary Resolution suspend or relax the provisions of this Article inclusive to any extent or ratify any transaction not duly authorised by reason of a contravention thereof.
- 22.9 Any Director may act by himself or through his firm in a professional capacity for the Company, and he or his firm shall be entitled to remuneration for professional services as if he were not a Director, provided that nothing herein contained shall authorise a Director or his firm to act as Auditor.
- 22.10 The Directors may from time to time appoint one or more of their body to be the holder of any executive office on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke such appointment.
- 22.11 The Directors may entrust to and confer upon any Director holding any executive office any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.

22.12 Any Director may continue to be or become a Director, managing Director, manager or other officer or shareholder of any company promoted by the Company or in which the Company may be interested or associated in business, and no such Director shall be accountable for any remuneration or other benefits received by him as a Director, managing Director, manager, or other officer or shareholder of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the Company or exercisable by them as Directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them Directors, managing Directors, managers or other officers of such company, or voting or providing for the payment of remuneration to the Directors, managing Directors, managers or other officers of such company).

23. **POWERS OF DIRECTORS**

23.1 The business of the Company shall be managed by the Directors, who may exercise all such powers of the Company as are not by the Act or by these Articles required to be exercised by the Company in general meeting, but no regulations made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulations had not been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by this or any other Article.

23.2 All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments drawn on the Company, and all other receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

23.3 Subject to the AIF Rulebook, the Directors may exercise all the powers of the Company to invest all or any funds of the Company as authorised by these Articles.

23.4 Subject to the provisions of the AIF Rulebook and with the authorisation of the Central Bank, the Directors may invest in collective investment undertakings with which the Company is linked by common management and control or by substantial direct or indirect holding provided that the said collective investment undertaking has investment policies consistent with the investment policies of the Company. No such investment may be made unless the manager of the relevant collective investment undertaking has agreed to waive any preliminary or initial charge which it might otherwise be entitled to charge for its own benefit in respect of such investment.

24. **BORROWING POWERS**

24.1 The Directors may, in accordance with the Act and the requirements of the Central Bank, exercise all the powers of the Company to borrow money (including the power to borrow for the purpose of repurchasing Shares) and to mortgage, charge or pledge its undertaking, property and assets or any part thereof and to issue debentures, debenture stock, bonds and other securities whether outright or as security for any debt, liability or obligation of the Company. Questions arising at any meeting shall be determined by a majority of votes. A Director may, and the Secretary on the requisition of a Director shall, at any time summon a Board meeting.

25.3 Notice of a meeting of the Directors shall be deemed to be duly given to a Director if it is given to him personally or by word of mouth or sent in writing by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors to him at his last known address or any other address given by him to the Company for this purpose.

The continuing Directors or Director may act for the purpose of filling up vacancies in their number or of summoning general meetings of the Company, but not for any other purpose. If there be no Directors or Director able or willing to act, then any two Subscriber Shareholders may summon a general meeting for the purpose of appointing Directors. Notwithstanding the provisions of this Article, any additional Director so appointed shall hold office (subject to the provisions of the Act and these Articles) only until the conclusion of the annual general meeting of the Company next following such appointment unless he is re-elected during such meeting.
- 25.6 The Directors may from time to time elect and remove a chairman and, if they think fit, a deputy chairman and determine the period for which they respectively are to hold office.
- 25.7 The chairman or, failing him, the deputy chairman shall preside at all meetings of the Directors, but if there be no chairman or deputy chairman, or if at any meeting the chairman or deputy chairman be not present within fifteen minutes after the time appointed for holding the same, the Directors present may choose one of their number to be chairman of the meeting.
- 25.8 A resolution in writing signed by all the Directors for the time being entitled to receive notice of a meeting of the Directors or of a committee of Directors and to vote thereat shall be as valid and effectual as a resolution passed at a meeting of the Directors or (as the case may be) a committee of Directors duly convened and such resolution or other document or documents when duly signed may be delivered or transmitted (unless the Directors shall otherwise determine either generally or in any specific case) by facsimile transmission or some other similar means of transmitting the contents of documents. Any such resolution may consist of several documents in the like form each signed by one or more of the Directors, and for the purposes of the foregoing signature by any alternate Director shall be as effective as the signature of the Director by whom he is appointed and, if it is signed by a Director who has appointed an alternate Director, it need not be signed by the alternate Director in that capacity.
- 25.9 A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.

The Directors, from time to time and at any time by power of attorney under seal, may appoint any company, firm or person or fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or agent or delegate of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit. Any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit and may authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him.

Without prejudice to the generality of the foregoing, the Directors may, subject to the prior approval of the Central Bank, appoint a manager and in accordance with the requirements of the Central Bank, the manager may appoint an investment manager/adviser, administrator and/or other similar officer to manage and advise on the investment of the assets of the Company, on

such terms and conditions as the Directors and the manager may deem fit. Such a manager may not be replaced and a new manager appointed without meeting the Central Bank's conditions. The remuneration and expenses of such appointees may be charged to the Company.

Notwithstanding the generality of (a) above the Directors may appoint an agent for the purposes of exercising their power to allot relevant securities in accordance with the provisions of Article 4.

Without prejudice to the generality of the foregoing, the Directors shall appoint a custodian to all of the assets (including cash) of the Company in accordance with the provisions of Article 3.

25.11 The Directors may, whether by standing resolution or otherwise, delegate their powers relating to the issue and re-purchase of Shares and the calculation of the Net Asset Value of the Shares and all management and administrative duties in relation to the Company to the Administrator or to any duly authorised officer or other person subject to such terms and conditions as the Directors in their absolute discretion may resolve.

25.12 All acts done by any meeting of Directors, or of a committee of Directors or by any person acting as a Director or authorised by the Directors shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Directors or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.

25.13 The Directors shall cause minutes to be made of:

- (i) all appointments of officers and committees made by the Directors and of their salary or remuneration;
- (ii) the names of the Directors present at each meeting of the Directors and of any committee of Directors; and
- (iii) all resolutions and proceedings of all meetings of the Company and of the Directors and of committees of Directors.

25.14 Any such minutes as are referred to in Article 25.13, if purporting to be signed by the chairman of the meeting at which the proceedings took place, or by the chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.

25.15 Any Director may participate in a Board meeting by means of a conference telephone or other telecommunication equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting but shall not be counted for the purposes of determining whether a quorum is present at the meeting and such meeting shall be deemed to have been convened in the place from which the conference telephone call or similar telecommunication is initiated provided always that the quorum must be constituted in accordance with this Article.

26.1 The Directors may from time to time appoint one or more of their body to the office of "Managing Director" to act as managing director of the Company and (subject to the restriction on the maximum aggregate remuneration payable to the Directors under Article 21.5) may fix his or their remuneration.

26.2 Every Managing Director shall be liable to be dismissed or removed from his position as Managing Director by the Directors and another person appointed in his place. The Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his employment, but so that the remedy of any such breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the Company in general meeting.

26.3 The Directors may from time to time entrust to and confer upon the Managing Director or Managing Directors all or any of the powers of the Directors (not including the power to borrow money or issue debentures) that they may think fit. 28.1 The Directors shall provide for the safe custody of the Seal. The Directors may from time to time as they see fit determine the persons and the number of such persons who shall authenticate the affixing of the Seal, and until otherwise so determined the affixing of the Seal shall be authenticated by two Directors or by one Director and the Secretary, or some other person duly authorised by the Directors, and the Directors may authorise different persons for different purposes.

28.2 Every certificate of title to shares, stocks, debenture stock or any other security of the Company (other than letters of allotment, scrip certificates and other like documents) shall be issued under the Seal or under the Official Seal kept by the Company.

28.3 The Directors may by resolution determine either generally or in any particular case or cases that the signature of any such person authenticating the affixing of the Seal or the Official Seal may be affixed by some mechanical means to be specified in such resolution or that such certificate shall bear no signatures provided always that the signature of the Depository shall not be affixed by mechanical means.

29. **DIVIDENDS AND PARTICIPATION**

29.3 The Directors may from time to time if they think fit pay such interim dividends on Shares as appear to the Directors to be justified by the profits of the Company.

29.4 Subject to Article 29.1 the amount available for distribution by the Company in respect of any Accounting Period shall be a sum equal to the aggregate of the net income received by the Company in respect of Investments (whether in the form of dividends, interest or otherwise) and realised and unrealised gains net of realised and unrealised losses of the Company during the Accounting Period and the capital of the Company subject to such adjustments as may be appropriate under the following headings:

 - (iii) addition of the amount (if any) available for distribution in respect of the last preceding Accounting Period but not distributed in respect thereof;

 - (viii) deduction of any amounts declared as a distribution but not yet distributed; and
 - (ix) deduction of any amounts which the Directors in their sole and absolute discretion determine to be re-invested in Investments for the benefit of the Company.
- 29.5 The Directors may, with the sanction of an Ordinary Resolution and individual Shareholder approval, distribute in kind among Shareholders, by way of dividend or otherwise, any of the assets of the Company.
- 29.6 All Shares shall, unless otherwise determined by the Directors, rank for dividend as from the beginning of the Accounting Period in which they are issued.
- 29.7 Any resolution of the Directors declaring a dividend may specify that the same shall be payable to the persons registered as the Shareholders entitling the holders thereof to receipt of such a dividend at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the right inter se in respect of such dividend of transferors and transferees of Shares.
- 29.8 The Company may transmit any dividend or other amount payable in respect of any Share by cheque or warrant sent by ordinary post to the registered address of the holder, or, in the case of

joint holders, of one of them or to such person and address as the holder or joint holders may direct, and shall not be responsible for any loss arising in respect of such transmission.

- 29.9 No dividend or other amount payable to any holder of Shares shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited automatically, without the necessity for any declaration or other action by the Company and shall be paid into the relevant Fund.
- 29.10 At the option of any Shareholder entitled to dividends, or where the intention to do so is disclosed in the Prospectus, the Directors may apply all dividends declared on the Shares held by such Shareholder towards the issue of additional Shares in the Company to that Shareholder at their Net Asset Value per Share as at the date on which such dividends are declared and on such terms as the Directors from time to time may resolve.
- 29.11 The Directors may provide that Shareholders will be entitled to elect to receive in lieu of any dividend (or part thereof) an issue of additional Shares credited as fully paid and subject to the following provisions:
- (i) the number of additional Shares (excluding any fractional entitlement) to be issued in lieu of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
 - (ii) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect of which the Share election has been duly exercised ("Elected Shares"), and in lieu thereof additional Shares shall be issued to the holders of the Elected Shares on the basis determined aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividend in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued Shares;
 - (iii) the additional Shares so issued shall rank *pari passu* in all respects with the fully-paid Shares then in issue save only as regards participation in the relevant dividend (or Share election in lieu);
 - (iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provision as they think fit in the case of Shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company or the Company issues Fractional Shares;
 - (v) the Directors may on any occasion determine that rights for election shall not be made available to any Shareholder with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in any such event, the provisions aforesaid shall be read and construed subject to such determination.

The signature to any notice to be given by the Company may be written or printed. Any notice or other document, served by post, shall be deemed to have been served 24 hours after the time that the letter containing the same is posted and in proving such service, it shall be sufficient to prove that the letter containing the notice or document was properly addressed and duly posted. Any notice or other document, served by delivery, shall be deemed to have been served at the time of delivery and in proving such service, it shall be sufficient to prove that the letter containing the notice or document was properly addressed and duly delivered. Notice may also be given by way of advertisement containing the full text of the notice in at least one leading international newspaper and one daily newspaper in Dublin or such other publication as the Directors may from time to time determine circulating in any country where the Shares of the Company are being issued and such notice shall be deemed to have been served at noon on the day on which such advertisement appears.

- 32.2 Any notice or document sent by post to or left at the registered address of a Shareholder shall notwithstanding that such Shareholder be then dead or bankrupt and whether or not the Company has notice of his death or bankruptcy be deemed to have been duly served or sent and such service shall be deemed a sufficient service on receipt by all persons interested (whether jointly with or as claiming through or under him) in the Shares concerned.

In any such case the Company shall send confirmatory copies of the notice through the post to those members whose registered addresses are outside Ireland (if or to the extent that in the opinion of the Directors it is practical so to do) or are in areas of Ireland unaffected by such suspension or curtailment of postal services and if at least ninety-six hours prior to the time appointed for the holding of the meeting the posting of notices to members in Ireland, or any part thereof which was previously affected, has become practical in the opinion of the Directors, the Directors shall send forthwith confirmatory copies of the notice by post to such members. The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.
- 32.6 Notwithstanding anything contained in this Article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than Ireland.
- 32.7 Every person who becomes entitled to a share shall, before his name is entered in the Register in respect of the share, be bound by any notice in respect of that share which has been duly given to a person from whom he derives his title provided that the provisions of this Article shall not apply to any notice served under Article 33 unless it is a notice which continues to have effect notwithstanding the registration of a transfer of the shares to which it relates.
- 32.8 Without prejudice to the provisions of these Articles allowing a meeting to be convened by newspaper advertisement a notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.
- 32.9 A member present, either in person or by proxy, at any meeting of the Company or the holders of any class of shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

33. **WINDING UP**

33.1

- (a) If the Company shall be wound up the liquidator shall subject to the provisions of the Act apply the assets of the Company in such manner and order as he thinks fit in satisfaction of creditors' claims.
- (b) Following the deduction of the estimated expenses relating to the liquidation, the assets available for distribution among the Shareholders shall then be applied in the following priority:
 - (i) First, in the payment to the holders of the Shares of each Series or class of a sum in the currency in which that Series or class is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Shares of such Series or class held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payment to be made.
 - (ii) Secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised within any Funds remaining after any recourse thereto under sub-paragraph (a) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds.
 - (iii) Thirdly, in the payment to the holders of each Series or class of Shares of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of shares of that Series or class held.
 - (iv) Fourthly, in the payment to the holders of the Shares of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the number of Shares held.

33.2 If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a Special Resolution and any other sanction required by the Act, divide among the Shareholders in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Shareholders. The liquidator may, if requested by any Shareholder, and at such Shareholder's cost, sell the whole or any part of the assets of the Company prior to distribution. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Shareholder shall be compelled to accept any assets in respect of which there is liability.

34. **INDEMNITY**

34.1 The Directors, Secretary and other officers or servants for the time being of the Company, for the time being acting in relation to any of the affairs of the Company and each of them, and each of their heirs, administrators and executors, shall be indemnified and secured harmless out of the assets and profits of the Company from and against all actions, costs, charges, losses, damages and expenses, which they or any of them, their or any of their heirs, administrators or executors shall or may incur or sustain by reason of any contract entered into or any act done, concurred in, or omitted in or about the execution of their duty or supposed duty in their respective offices or trusts, except such (if any) as they shall incur or sustain by or through their own wilful act, neglect or default respectively, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Shareholders over all other claims. None of the foregoing shall be answerable for the acts, receipts, neglects, or defaults of the other or others of them, or for joining in any receipt for sake of conformity, or for any bankers, brokers, or other person into whose hands any money or assets of the Company may come, or for any defects of title of the Company to any property purchased, or for

- 34.2 The Depositary, the Distributor, the Administrator and the Investment Manager shall be entitled to such indemnity from the Company upon such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the Company with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement, the Distribution Agreement, the Administration Agreement and the Investment Management Agreement (as applicable) provided that no such indemnity shall extend to any matters arising from their own fraud, bad faith, recklessness, negligence or wilful default or any matter in respect of which they cannot limit or exclude their liability as a matter of law.
- 34.3 The Company, the Directors, the Depositary, the Distributor, the Administrator and the Investment Manager shall be entitled to rely absolutely on any declaration received from a Shareholder as to residence or otherwise of such Shareholder and shall not incur any liability in respect of any action taken or thing suffered by any of them in good faith in reliance upon any paper or document believed to be genuine and to have been sealed or signed by the proper parties nor be in any way liable for any forged or unauthorised signature on or any common seal affixed to any such document or for acting on or giving effect to any such forged or unauthorised signature or common seal but shall be entitled though not bound to require the signature of any person to be verified by a banker, broker or other responsible person or otherwise authenticated to its or their satisfaction. Notwithstanding any other provision of this Article the Depositary shall be liable to the Company and the Shareholders for any loss arising from its negligence, fraud, bad faith, wilful default or recklessness in the performance of its duties.
- 34.4 The Company, the Directors, the Distributor, the Depositary, the Administrator and the Investment Manager shall incur no liability to the Shareholders for doing or (as the case may be) failing to do any act or thing which by reason of any provision of any present or future law or regulation made pursuant thereto, or of any decree, order or judgment of any court, or by reason of any request announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or any of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out any of the provisions of these Articles neither the Company nor the Director nor, subject to the terms of the Distribution Agreement, the Depositary Agreement, the Administration Agreement and the Investment Management Agreement (as applicable), the Distributor nor the Depositary nor the Administrator nor the Investment Manager, shall be under any liability therefore or thereby. Notwithstanding any other provision of this Article the Depositary shall be liable to the Company and the Shareholders for any loss arising from its negligence, fraud, bad faith, wilful default or recklessness in the performance of its duties.
- 34.5 This Article shall not, however, exempt the Company, the Distributor, the Depositary, the Administrator or the Investment Manager from any liability they may incur as a result of a failure to adhere to their obligations as set out in the Act or any liability incurred as a result of any fraud, bad faith, recklessness, negligence or wilful default on the part of the Company, the Depositary, the Administrator or the Investment Manager as shall be provided under the Distribution Agreement, the Depositary Agreement, the Administration Agreement and the Investment Management Agreement (as applicable). Notwithstanding any other provision of this Article the Depositary shall be liable to the Company and the Shareholders for any loss arising from its negligence, fraud, bad faith, wilful default or recklessness in the performance of its duties.

35. **DESTRUCTION OF DOCUMENTS**

- 35.1 The Company may destroy:
- (i) any share certificate which has been cancelled at any time after the expiry of one year from the date of such cancellation;

- (ii) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address at any time after the expiry of two years from the date such mandate, variation, cancellation or notification was recorded by the Company;
- (iii) any instrument of transfer of Shares which has been registered at any time after the expiry of six years from the date of registration thereof; and
- (iv) any other document on the basis of which an entry in the Register is made at any time after the expiry of ten years from the date an entry in the Register was first made in respect of it; and it shall conclusively be presumed in favour of the Company that every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company provided always that:
 - (a) the foregoing provisions of this Article shall apply only the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
 - (b) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (a) above are not fulfilled; and
 - (c) reference in this Article to the destruction of any document includes references to its disposal in any manner.

36. UNTRACED SHAREHOLDERS

36.1 The Company shall be entitled to repurchase any Share of a Shareholder or any Share to which a person is entitled by transmission and to forfeit any dividend which is declared and remains unpaid for a period of six years if and provided that:

- (a) for a period of six years no cheque, Share certificate or confirmation of ownership of Shares sent by the Company through the post in a pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or the last known address given by the Shareholder or the person entitled by transmission to which cheques, Share certificates or confirmations of the ownership of Shares are to be sent, has been cashed or acknowledged and no communication has been received by the Company from the Shareholder or the persons entitled by transmission;
- (b) at the expiration of the said period of six years by notice sent by pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or to the last known address given by the Shareholder or the person entitled by transmission or by advertisement in a national daily newspaper published in Ireland or in a newspaper circulating in the area in which the address referred to in Article 30.3 is located the Company has given notice of its intention to repurchase such Share;
- (c) during the period of three months after the date of the advertisement and prior to the exercise of the power of repurchase the Company has not received any communication from the Shareholder or person entitled by transmission; and
- (d) if the Shares are quoted on a stock exchange the Company has first given notice in writing to the appropriate section of such stock exchange of its intention to repurchase such Share, if it is required to do so under the rules of such stock exchange.

36.2 The proceeds of such repurchase shall be held in a separate interest bearing account for one year after which period the monies shall form part of the assets of the Company.

36.3 If in the event that the voluntary winding up of the Company there are undistributable or unapplied balances or dividends which have been declared but unclaimed the provisions of section 623 of the Act should apply and the liquidator may lodge to the Company's liquidation account (the "Liquidation Account") the whole of such unpaid dividends and undistributable or unapplied balances. The Liquidation Account shall be under the control of the High Court of Ireland and any claim to monies in the Liquidation Account by a Shareholder shall be made through the High Court in accordance with, and subject to, the provisions of section 623 of the Act. In circumstances where the amount of such unpaid dividends and undistributable or unapplied balances are such that it is uneconomic to make a payment into the High Court in accordance with the provisions of Section 623 of the Act (ie the amount outstanding is less than the costs of making the payment into the High Court) the liquidator may elect to pay such balances to such registered charity as they may elect and the debt owed to the relevant Shareholder shall be deemed to be extinguished by such payment.

37. VARIATION OF SHARE CAPITAL

37.1 The Company may from time to time by Ordinary Resolution increase its capital, consolidate its shares or any of them into a smaller number of shares, sub-divide shares or any of them (so that the resolution whereby any share is sub-divided may determine that, as between the holders of the shares resulting from such sub-division, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares) into a larger number of shares or cancel any shares not taken or agreed to be taken by any person by such amount as the resolution shall prescribe.

Subject to the provisions of the Act, the new shares shall be issued to such persons, upon such terms and conditions and with such rights and privileges annexed thereto as the general meeting resolving upon the creation thereof shall direct and, if no direction be given, as the Directors shall determine and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of the assets of the Company and with a special, or without any, right of voting.

Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered part of the pre-existing share capital and shall be subject to the provisions herein contained with reference to transfer, transmission and otherwise.

37.2 All new Shares shall be subject to the provisions of these Articles with respect to transfer, transmission and otherwise.

37.3 In addition to any right of the Company specifically conferred by these Articles to reduce its share capital the Company may by Special Resolution from time to time reduce its share capital in any way permitted by law, and in particular, without prejudice to the generality of the foregoing power may:

- (i) extinguish or reduce the liability on any of its Shares in respect of share capital not paid up; or
- (ii) with or without extinguishing or reducing liability on any of its Shares:
 - (a) cancel any paid-up share capital which is lost, or which is not represented by available assets; or
 - (b) pay off any paid-up share capital which is in excess of the requirements of the Company.

37.4 The Company may by Ordinary Resolution from time to time alter (without reducing) its share capital by:

- (i) consolidating and dividing all or any of its share capital into Shares of larger amount than its existing Shares;
- (ii) sub-dividing its Shares, or any of them, into Shares of smaller amount than that fixed by its Memorandum of Association so, that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced Share shall be the same as it was in the case of the Share from which the reduced Share is derived; or
- (iii) cancelling any Shares which, at the date of the passing of the Ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled.

The rights attached to any class of Share may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of 75% of the issued shares of that class or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the Shares of that class. The rights attaching to any class of Shares shall not be deemed to be varied by the creation or issue of further shares ranking *pari passu* with Shares already in issue, unless otherwise expressly provided by the terms of issue of those Shares.

38. **SIDE POCKETS**

- 38.1 From time to time, a portion of the Company's assets may consist of one or more illiquid investments (including investments that are illiquid at the time of purchase) that the Directors determine, in their sole discretion, to be subject to practical, regulatory, contractual or legal restrictions on disposition (each such investment or portfolio of investments is referred to herein as a "Side Pocket Investment").
- 38.2 Each Shareholder who is a Shareholder at the time a Side Pocket Investment is acquired, or at the time an existing investment or portfolio of investments is determined to be a Side Pocket Investment, may be issued shares in such class of a new Tranche (each a "Side Pocket Tranche") with regard to such Side Pocket Investment as the Directors may determine ("Tranche S Shares").
- 38.3 Upon identifying an investment or portfolio of investments as a Side Pocket Investment, a pro-rata portion of each existing Shareholder's shares (and, if such Shareholder holds more than one class of shares, pro-rata according to such Shareholder's holdings of such shares) will be converted to Tranche S Shares of a new Side Pocket Tranche by way of redemption and re-issue, without any obligation on the Shareholders or the Company to take any other action pursuant to Articles 6 and 10 and without the requirement for any notice to be served on such Shareholder.
- 38.4 Shares which are redeemed and re-issued as Tranche S Shares may include shares in respect of which a suspension or a partial suspension of redemptions is in effect on the date on which such redemption and re-issue occurs and the entire holding of any relevant Shareholders on the Dealing Day prior to the implementation of the suspension or partial suspension of redemptions may be taken into account in calculating the pro rata portion of shares held by such Shareholder which are to be redeemed and re-issued as Tranche S Shares. Each separate class of Tranche S Shares will represent a separate Fund.
- 38.5 Tranche S Shares of a new Side Pocket Tranche will be issued to a Shareholder in a Base Currency amount equal to (i) the aggregate value of such Shareholder's shares divided by the aggregate value of all of the issued and outstanding shares (excluding for this purpose, any Tranche S Shares then outstanding and in the event that a suspension or a partial suspension of redemption is in effect on the date of such issue, calculated based on the shares in issue on the last Dealing Day on which no suspension or partial suspension of redemptions was in effect) multiplied by (ii) the book value of the Side Pocket Investment attributable to the relevant Tranche S Shares.
- 38.6 Members who purchase shares after a Fund acquires a Side Pocket Investment are not entitled to receive any Tranche S Shares with respect to such Side Pocket Investment or to participate in the gain, loss or income relating to such Tranche S Shares. For the purpose of determining the number of Tranche S Shares in a Side Pocket Tranche to be issued to each Member, the initial

Net Asset Value per Tranche S Share of such Side Pocket Tranche shall be US\$100 or such other amount as the Directors may determine. Tranche S Shares may also be designated in the Class Currency of any shares which were redeemed in conjunction with the issue of such Tranche S Shares.

- (i) subject to Article 9, become the owner of Shares and hold, dispose or otherwise deal with Shares;
- (ii) deal in property of any description on its own notwithstanding the fact that property of that description is included in the property of the Company; or
- (iii) act as principal or agent in the sale or purchase of property to or from the Company without having to account to the Company, to the Shareholders or to any other person for any profits or benefits made by or derived from or in connection with any such transaction, provided that such transaction is negotiated at arm's length and is in the best interest of Shareholders and:
 - (a) a certified valuation of such transaction by a person approved by the Depositary (or in the case of a transaction involving the Depositary, approved by the Directors) as independent and competent has been obtained;
 - (b) such transaction has been executed on best terms on organised investment exchanges under their rules; or
 - (c) where (a) and (b) are not practical, such transaction has been executed on terms which the Depositary is satisfied (or in the case of a transaction involving the Depositary the Directors are satisfied) conform with the principle that such transactions be negotiated at arm's length and in the best interest of Shareholders.

40. SUBSIDIARY COMPANIES

The Company may, with the prior approval of the Central Bank, establish one or more wholly owned limited liability subsidiary companies to invest in investments which are permitted under the investment policy of the Company for the time being in force and under the Act provided that the reasons for establishing any such wholly owned limited liability companies are justified as being in the interests of Shareholders. The shares of any such subsidiary shall be held by the Depositary on behalf of the Company and any assets of any such subsidiary shall be held by the Depositary or its nominees.

41. IRISH TAXATION

In the event of any payment, cancellation, redemption, repurchase, transfer, or other chargeable event, in respect of Shares held by an Irish Resident who is not an Exempt Investor or any Shareholder whether an Irish Resident or not in respect of which a valid Declaration is not in place, the Company shall be entitled to deduct from any payment an amount equal to the tax chargeable pursuant to Section 739E TCA or any other provision of Irish tax law applicable to the Company or to the Shareholders (hereinafter the "appropriate tax") or redeem, appropriate or cancel such number of Shares as are required to meet the appropriate tax of such Shareholder and to account for such appropriate tax to the Irish tax authorities. In the event that the Company is not required to pay such appropriate tax to the Irish tax authorities immediately the Company shall arrange for the appropriate tax to be lodged to an account in the name of the Depositary for the account of the Company pending payment to the Irish tax authorities.

42. **RESTRICTION ON MODIFICATION OF ARTICLES**

No modification shall be made to the Memorandum or Articles of Association of the Company which would result in the Company ceasing to comply with the terms of the AIF Rulebook. In any case, no modification to the Memorandum or Articles of Association of the Company may be made without the prior approval of the Central Bank.

43. **TERMINATION OF FUNDS**

43.1 The Company may terminate any Fund, and redeem all of the Shares of such Fund, if:

- (a) the Shareholders of the Fund pass a special resolution to approve the redemption of all the Shares in the Fund; or
- (b) after the first anniversary of the Closing Date for the relevant Fund if the Net Asset Value of the relevant Fund on any Dealing Day falls below EUR25,000,000 or such other amount as the Directors may determine and notify to Shareholders as described herein; or
- (c) the Depositary has served notice of its intention to retire under the terms of the Depositary Agreement (and has not revoked such notice) and no new custodian has been appointed by the Company with the approval of the Central Bank within six months of the date of service of such notice.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this Clause or otherwise.

43.2 The Directors shall give notice of termination of a Fund to the holders of shares in the relevant Fund and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.

43.3 With effect on and from the date as at which any relevant Fund is to terminate:

- (a) No shares of the relevant Fund may be issued or sold by the Company and neither the Company nor any holder of shares of the relevant Fund shall have any right to require the cancellation or repurchase of any such shares;
- (b) The investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund as the Directors think advisable);
- (c) The Depositary shall, on the instructions of the Directors from time to time, distribute to the holders of shares in proportion to their respective interests in the relevant Fund all net cash proceeds derived from the realisation of the relevant Fund and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay US\$1 or its equivalent amount in the relevant currency in respect of each share of the relevant Fund and provided also that the Depositary shall be entitled to retain out of any monies in its hands as part of the relevant Fund full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Fund and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and
