## 2. SHAREHOLDER RIGHTS

In order to subscribe for Shares, Shareholders must complete an Application Form in accordance with the section of the Prospectus titled “Investing in Shares - Subscriptions for Shares” and the section of the Supplement titled “How to Buy Shares”. By doing so, Shareholders agree to subscribe for Shares and to be bound by the terms of this Prospectus and the Articles (the Application Form, Prospectus and Articles, together, the “**Subscription Documents**”). The Subscription Documents are governed by Irish law and the courts of Ireland shall have such jurisdiction in relation to them as is determined in accordance with Council Regulation (EC) No 44/2001 as set out below in the section titled “Governing Law and Recognition and Enforcement of Judgments in Ireland” below.

## 3. RIGHTS AGAINST SERVICE PROVIDERS

Shareholders have generally no direct rights against the Company’s service providers. The Company is reliant on the performance of third party service providers, including the Investment Manager, the Depositary, the Administrator and the Auditors. No Shareholder will have any direct contractual claim against any service provider with respect to such service provider’s default. Any Shareholder who believes they may have a claim against any service provider in connection with their investment in the Fund, should consult their legal adviser.

The AIFM is a non-UK AIFM and the Fund is a non-UK AIF therefore the requirements in relation to the appointment of depositaries do not apply.

## 4. GOVERNING LAW AND RECOGNITION AND ENFORCEMENT OF JUDGMENTS IN IRELAND

The 1980 Rome Convention on the Law Applicable to Contractual Obligations (other than Article 7(1)), Regulation (EC) 593/2008 (Rome I) and Regulation (EC) 864/2007 (Rome II), all have force of law in Ireland (together the “**Rome Regulations**”). Accordingly, the choice of a governing law in any given agreement is subject to the provisions of the Rome Regulations. Under the Rome Regulations, the courts of Ireland may apply any rule of Irish law which is mandatory irrespective of the governing law and may

refuse to apply a rule of governing law if it is manifestly incompatible with the public policy of Ireland. The courts of Ireland determine what the public policy of Ireland is on a case by case basis. The fact that contractual parties choose a foreign law, whether or not accompanied by the choice of a foreign tribunal, shall not, where all the other elements relevant to the situation at the time of the choice are connected with one country only, prejudice the application of rules of the law of that country, which cannot be derogated from by agreement.

Council Regulation (EC) No 44/2001 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters has force of law in Ireland. In accordance with its provisions, a judgment obtained in the courts of a foreign jurisdiction will in general be recognised and enforced in Ireland without review as to its substance, save in certain exceptional circumstances.

## **5. REPORTS AND ACCOUNTS**

The following information will be disclosed to Shareholders at the same time as the annual financial statements and may be provided at other times to Shareholders in accordance with the UK AIFM Regulations:

- (a) the percentage of the assets of the Fund that are subject to special arrangements arising from their illiquid nature;
- (b) any new arrangements for managing the liquidity of the Fund;

- (a) the maximum level of leverage which the AIFM may employ on behalf of the Fund; and

- (c) activation of liquidity management tools.

This information will be made available to Shareholders, without undue delay following the occurrence of that change, by way of update to the Prospectus or the Supplement. Where required, such change will be preceded by notification to Shareholders.

It is intended that Shareholders will be notified if the Fund activates gates or similar arrangements or if the AIFM decides to suspend redemptions. Shareholders will also be notified whenever the AIFM makes material changes to liquidity risk management systems and procedures employed in respect of the Fund.

## **6. HISTORICAL PERFORMANCE**

The historical performance of the Fund shall be available on request from the Manager.

## **7. FAIR TREATMENT OF SHAREHOLDERS**

The Company will at all times seek the fair treatment of Shareholders. The Prospectus shall describe any instance where a Shareholder may receive preferential treatment, a description of that preferential treatment, the type of Shareholders who may obtain such preferential treatment and where relevant their legal and economic links with the Company.

Such preferential treatment may include rebate arrangements between the AIFM and a particular investor or investors and arrangements for the provision of additional information or reporting to a particular investor or to investors, including, by way of example where such information or reporting is required by the investor or investors for the purpose of complying with a specific regulatory or legal obligation. Further
