PAST PERFORMANCE

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the sub-fund has been managed in the past.

This chart shows the sub-fund's performance as the percentage loss or gain per year over the last 4 years.

- Sub-Fund launch date: 26/03/2020.
- Share Class launch date: 26/03/2020.
- Performance data has been calculated in USD.
- The comparative performance target in the past performance chart is calculated using the lower number of the target outperformance range, 2% in addition to benchmark performance.

This document should be read in conjunction with the Sub-Fund Summary document for this Share Class.
