PAST PERFORMANCE

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future.

It can help you to assess how the sub-fund has been managed in the past and compare it to its benchmark.

This chart shows the sub-fund's performance as the percentage loss or gain per year over the last 4 years against its benchmark.

- Sub-Fund launch date: 18/06/2019.
 - Share Class launch date: 23/03/2020.
 - Performance data has been calculated in USD.
 - The comparative performance target in the past performance chart is calculated using the lower number of the target outperformance range, i.e. 4.0% in addition to benchmark performance.
- This document should be read in conjunction with the Key Information Document for this Share Class.
